

2018-2019 CHCS School Supplies for 6th Grade Students

- SIX (6) POLY 3-prong pocket folders** in the following colors: red, green, purple, blue, orange, and black (see color assigned for each course below) [We suggest the POLY kind simply because they will last longer and you won't have to replace them as often.]
- FIVE (5) 100 page, College-Ruled Composition Notebooks**—not spirals—any color or design (for English, History, Latin, Math, & Science)
- ONE (1) Package of 25 Page Protectors**
- ONE (1) Ruler** (needs to have centimeters AND inch measurements) (to be available for all classes, but will be kept in the locker so it doesn't break)
- ONE (1) Pair of Scissors** (approx. 7-8 inches; small enough to fit in a zipper pouch; to be available for all classes)
- ONE (1) 12-Count Colored Pencils** (or larger count) (to be available for all classes)
- ONE (1) Basic Four-Function Calculator** (This should be a very basic, inexpensive calculator. Inexpensive means don't spend more than \$5.00 and you probably can find one for \$1.00.) (to be available for all classes); if you would prefer to purchase the graphing calculator that will be required next year
- Bible (any translation, any style)** [In the Bible course, students will have a specific study Bible that will be used in Mrs. Sieh's classroom and will stay in her classroom. So, this Bible that we are asking the student to bring is to be more of a personal Bible that the student can use during chapel and in other courses.]
- ONE (1) Pair of ear buds or headphones** that will stay at school for computer use
- ONE (1) generic binder** (This does not need to be a new binder. It can be **very used** as it will be kept in the student's locker and only used as an archival binder. Students will not be carrying this around nor using it on a daily basis. It should be at least 1-inch thick.)
- ONE (1) Zippered pencil pouch** or something like this to hold pens, pencils, scissors, etc.
- *College-ruled notebook paper** (you'll need a bunch of this)
- *Pencils** (may be mechanical or not)
- *Eraser** (preferably a white, hi-polymer eraser because these erase more cleanly, but any eraser will do)
- *Pens (blue/black ink only)**
- *Pens for grading (red)**
- *Glue sticks**
- *Highlighters (Yellow)**
- SUGGESTED: Locker organizational items, including a locker shelf**

***These consumable items will need to be replenished throughout the year, so no quantity or amount is provided. Students are expected to have these supplies on hand for each class every day.**

FOLDER COLORS BY SUBJECT

| | |
|----------------|---------------|
| Bible—purple | English—red |
| History—orange | Latin—blue |
| Math—black | Science—green |
