

## 2018 Kindergarten Summer Reading Program

Reading is important at CHCS, and we want to help you by offering a list of classics that you and your children can enjoy during the summer months. The list is attached and is also available through the CHCS website (go to Parents, then CHCS resources, and then Quick Links). Feel free to read from any of the lists. These are suggestions only.

The school library will be open on Wednesday mornings during the summer months of June and July. Please stop by between the hours of 9 and 11 and check out all the great books we have to share with you.

Please keep a record of the books you and your child read and turn it in to the teacher the first week of school. Top readers from each class will be recognized, so be sure to keep track of all the wonderful books you enjoy during June and July.

Have a great summer and be sure to add reading to your summer fun “to do” list.

**Summer Library Hours: 9-11**

**Wednesday mornings in June and July**
