

2022 Grammar School Summer Reading

*CHCS students are encouraged to make reading a priority during the summer months. All students are asked to read at least **two** books from the suggested summer reading list for the grade students*

are entering in the fall or any grade level above that. For your convenience, the list is also posted on Renweb.

*Students who have read **at least two books** will receive a treat during the first week of school and the top reader from each class will be recognized with a special gift. To qualify for the summer reading treat, students must turn in to their teacher **the first week of school** a list of books that have been read during the summer.*

Students are welcome to visit the CHCS library on Wednesday mornings in June. It is a great opportunity to get a jumpstart on AR points for the new school year.

Thank you in advance for helping us to develop in our students a love for reading. Please call me if you have any questions.
