Dear Families,

Welcome to a new school year at Christian Heritage Classical School. The Board of Trustees, faculty, and staff are excited that you are a part of the Christian Heritage community. Thank you for entrusting your students to us and for partnering with our faculty and staff in their education, Christ-like character development, and formation of a biblical worldview. We genuinely value that trust, and we look to Him who is “the power of God and the wisdom of God” (I Corinthians 1:24) for the ability and the wisdom to succeed.

It is a great privilege to serve your family as partners in education. This handbook is designed for Christian Heritage students and their parents. Please read it carefully and keep it where you can easily refer to it throughout the school year. While most of the information contained here will not change this year, keep in mind that needs in the school might dictate an occasional adjustment. Should this occur, every effort will be made to publish any changes in a timely manner. Please take the time to read carefully and to discuss the handbook with your child in order to be a fully functioning participant in the community of Christian Heritage Classical School.

After reading the handbook, please sign *The Family Agreement* found on the last page and return it to the office. This acknowledges that you have read the Christian Heritage 2019-2020 Family Handbook, that you will comply with the principles and guidelines therein, and that you will cooperate in maintaining a successful family/school partnership.

In Him,

Christian Heritage Classical School Administration

EDUCATIONAL PHILOSOPHY AND CORE VALUES

History
In 1994, a local pastor and several like-minded families who shared a vision for reclaiming the excellence of a classic American education founded Christian Heritage School. Through prayer, sacrifice, and God’s generous blessings, the school has matured into a safe, dynamic instructional environment, realizing all that is good about classical, Christ-centered education. Having outgrown two rented facilities, we now occupy a campus that we own.

Christian Heritage also enjoys the involvement of its families through a Parent Participation Plan whereby all Christian Heritage families commit to supporting the school with their prayers, time, talents, and treasures. Christian Heritage is a multi-denominational institution that ascribes to historical evangelical Christian beliefs. Its families and staff represent over thirty local churches.

Mission Statement
Christian Heritage Classical School exists to provide excellence in classical, Christ-centered education.

School Motto
Our school motto is “Character, Diligence, Scholarship”

Statement of Faith
- We believe the Bible to be the inspired, the only infallible, authoritative, inerrant Word of God (II Timothy 3:16, II Peter 1:21).
- We believe there is one God, eternally existent in three persons—Father, Son, and Holy Spirit (Genesis 1:1, Matthew 28:19, John 10:30).
- We believe in the deity of Christ (John 10:33), His virgin birth (Isaiah 7:14, Matthew 1:23, Luke 1:35), His sinless life (Hebrews 4:15, 7:26), His miracles (John 2:11), His vicarious and atoning death (I Corinthians 15:3, Ephesians 1:7, Hebrews 2:9), His Resurrection (John 11:25, I Corinthians 15:4), His Ascension to the right hand of God (Mark 16:19), and His personal return in power and glory (Acts 1:11, Revelation 19:11).
- We believe in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature and that men are justified on the single ground of faith in the shed blood of Christ and that only by God’s grace and through faith alone are we saved (John 3:16–19, 5:24; Romans 3:23, 5:8–9; Ephesians 2:8–10; Titus 3:5).
- We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of condemnation (John 5:28–29).
- We believe in the spiritual unity of believers in our Lord Jesus Christ (Romans 8:9, I Corinthians 2:12–13, Galatians 3:26–28).
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life (Romans 8:13–14; I Corinthians 3:16, 6:19–20; Ephesians 4:30, 5:18).
- We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God (Gen. 1:26-27). Rejection of one’s biological sex is a rejection of the image of God within that person.
- We believe that the term “marriage” has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in scripture (Gen. 2:18-25). We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Cor. 6:18; 7:2-5; Heb. 13:4). We believe that God has commanded that no intimate sexual activity be engaged in outside of marriage between a man and a woman.
- We believe that any form of sexual immorality is sinful and offensive to God (Matt 15:18-20; 1 Cor. 6:9-10).
- We believe that in order to preserve the function and integrity of Christian Heritage Classical School as a Body of Christ, and to provide a biblical role model to the school and community, it is imperative
that all persons employed by Christian Heritage Classical School in any capacity, or who serve as volunteers, agree to and abide by this position statement on marriage, gender and sexuality (Matt. 5:16; Phil. 2:14-16; 1 Thess. 5:22).

- We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Rom. 10:9-10; 1 Cor. 6:9-11).
- We believe that every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with scripture nor the doctrines of Christian Heritage Classical School.

Secondary Doctrine

Christian Heritage regards doctrinal issues that the Christian Heritage Statement of Faith does not address as Secondary Doctrine. Any school discussions of secondary doctrine should be simply informative and not persuasive. Teachers should present all sides of the issue in a non-partisan way. The teacher should be careful not to speak concerning these issues in a way that would offend someone holding a different view. The teacher should encourage the students to follow up with any questions they have with their parents and pastor.

Philosophy of Education

Christian Heritage is a Christ-centered and classical school.

By Christ-centered, we mean:

- All knowledge is made complete only when seen and understood in relation to the eternal glory and purposes of the triune God.
- Each aspect of our educational endeavor is founded upon and informed by a thoroughly biblical worldview.
- All subjects are taught as part of a unified, integrated whole that demonstrates God’s character and glory as revealed through creation, providence, and Scripture.

By classical, we mean:

- It follows the methodology of the Trivium, seeking to identify appropriate analogies of grammar, logic (dialectic), and rhetoric in all subjects and to teach all subjects in a manner consistent with the appropriate stage of development of the child.
- It understands the term “classical education” in the context of the classical search for wisdom and virtue through the pursuit of truth, beauty, and goodness.
- It emphasizes and seeks to preserve and pass to successive generations the richness of Western cultural heritage.

Curriculum

The classical Christ-centered curriculum finds its bedrock in the treatment of knowledge, understanding, and wisdom in the Scriptures—especially in Proverbs—with Proverbs 2:6 (“For the LORD gives wisdom; from His mouth come knowledge and understanding”) being a key foundational passage. The classical Christ-centered curriculum, divided into three components of learning (grammar, logic, and rhetoric), best complements the three stages of cognitive development (poll-parrot, pert, and poetic).

By incorporating grammar (the fundamental data that one can know about subjects or knowledge), logic (a logical ordering and structure of what one knows, or understanding), and rhetoric (ways of giving meaning to, applying, and expressing what one knows and understands, or wisdom) within the curriculum, our students receive and achieve more than a collection of information. They are equipped with skills that will make them lifelong learners.
Through its classical Christ-centered curriculum, Christian Heritage seeks to equip every student to fulfill his/her God-given potential in all subjects, to develop critical thinking skills within each student through didactic instruction and Socratic dialogue, and to teach each student to communicate eloquently, persuasively, and effectively.

Because of our fundamental desire to integrate faith and learning, our teachers are free to evaluate and adapt curriculum materials so that they accurately express God’s truth. In doing so, teachers seek to inspire biblical scholarship and independent thinking in their students, with the ultimate goal of interpreting the subject matter in the light of a biblical worldview.

Parental Roles and Responsibilities
God has given parents the privilege and responsibility to rear their children to become godly men and women. At Christian Heritage Classical School, we desire to partner with parents as we stand together against the tide of our culture and nurture our students in the pursuit of righteousness. As a school, we seek to complement, not replace, the necessary training and teaching provided by both church and family. Foundational to the vision of the school is the concept of in loco parentis, a Latin phrase meaning that we work alongside the parent. The students study under-skilled and godly teachers to gain knowledge, understanding, and eventually wisdom.

Faculty
Christian Heritage Classical School is blessed with a diversified faculty whose members are expected to exemplify Christ in their daily lives. They have been carefully selected for their genuine Christian commitment to teaching and their love and ability to work with students. The faculty frequently meets to pray for daily needs, discuss the progress of students, and review upcoming events. Keeping current with ongoing teacher training, they use their gifts and their educational qualifications to assist your students in excelling according to their God-given abilities.

Academic Growth
We desire to teach your child and to lead him/her toward a love of learning. You can help by ensuring your child’s consistent attendance and by seeing to it that your child completes assigned work in a careful, thorough, and timely manner.

Character Growth
Christian Heritage believes that character growth and development establishes the foundation upon which the academic success of each student is built. Christian Heritage designs our standards of character and conduct to challenge each student to a closer walk with God. We desire to partner with parents to exhort students to develop character and conduct that honors God and to reinforce their efforts as they strive to meet this goal. We especially need your support when our staff has challenged your child in the area of his/her character.

Our faculty, staff, and administrators consider it a privilege to participate in the education of your child. Knowing that your child was hand-crafted by God for His pleasure and unique purposes, we want your child to develop into all that God desires, and we will work diligently to give praise for successes and to assist in overcoming and moving beyond failures.

Communication
We have a core value of open, honest, two-way communication with our families. We know you desire to have a realistic picture of your student’s progress academically, physically, emotionally, morally, and spiritually as we see it at school. Therefore, we will call, email, or send home reports to keep parents informed about a variety of areas. We will also schedule conferences as needed to meet with parents, and we will contact them when any pressing concern arises. Likewise, we need parents to contact school personnel with your concerns and questions. Direct communication is biblical, eliminates confusion, and prevents further problems.
Cooperation with the School
Christian Heritage believes that a positive and constructive working relationship between the school and a student’s parents/guardians is essential to the accomplishment of the school’s educational mission. Cooperation means that each parent/guardian agrees to comply with school policies as outlined in this handbook, family admissions/re-enrollment contracts, and the Christian Heritage Bylaws.

SCHOOL GOVERNANCE AND ACCREDITATION

Christian Heritage Classical School Board of Trustees
The responsibility and the privilege of leadership for Christian Heritage Classical School rest in the Board of Trustees. The Board is charged, in trust, with persevering, maintaining, building, and growing the vision of the school, based on the guidelines outlined in the school’s bylaws and the Christian Heritage mission statement. Each member of the Board of Trustees agrees to and subscribes to our Statement of Faith.

Board meetings are generally held on the second Tuesday of the month at 7:00 PM in the school’s library. The meetings are open to parents of students and other interested parties.

Parents can find a list of current board members on the school’s website.

To recommend a candidate for board nomination, contact one of the current board members and submit the name of the person you are recommending.

Accreditation
Christian Heritage Classical School is accredited through AdvancEd.

GENERAL INFORMATION, POLICIES, AND PROCEDURES

Office Hours and School Phone Number
Office hours are generally 7:30 AM – 3:45 PM Monday through Friday during the school year. To contact the office, or to leave a message on the answering machine, call 903-663-4151.

School Classroom Hours
Grades 4K-5: 8:00 AM – 3:15 PM on Monday, Tuesday, Thursday and Friday
8:00 AM – 2:25 PM on Wednesday
Grades 6-12: 8:00 AM – 3:30 PM on Monday, Tuesday, Thursday, and Friday
8:00 AM – 2:40 PM on Wednesday

Student Drop-Off and Pick-Up
To ensure the safety of Christian Heritage students, a staff or faculty member will assist students with both exiting and entering their vehicle, and in crossing through traffic. There is an established plan for directing vehicle traffic on and off of the school campus.

Parents dropping off and picking up students in grades 4K-5 will use the two lanes closest to the building, which pass under the portico. Parents dropping off and picking up students in grades 6-12 will use the two lanes that run through the center of the parking lot. Families with children in both age categories should use the two lanes closest to the building.

To aid the faculty and staff with the afternoon school dismissal, window tags will be issued for each family. These tags will be displayed in the front window. Parents are not to leave their car unattended during carpool. If you see a parent leaving their car, please ask if you can assist them so they will be able to stay in their car.
Students should not be dropped off at Christian Heritage before 7:30 a.m. unless special arrangements have been made with the school.

The following guidelines are in place for the 2019-2020 school year. Any family with siblings in both Grammar and Logic/Rhetoric schools is scheduled for the second carpool.

</tbody>
</table>

Parents will come to the office to sign out students if they are late picking them up.

After 3:45 p.m., Christian Heritage personnel will escort your 4K-5th-grade child to the After School Care (ASC) program, and you will incur a fee for this time. This policy does not apply to students participating in school-sponsored after-school activities.

**Leaving Campus Early—Closed Campus Policy**

Christian Heritage operates under a closed campus policy. Students must stay on the school grounds from the time they arrive at school until the end of their school day unless a parent or guardian signs them out in the School Office. Parents are encouraged to minimize granting permission for students to leave early.

In the case of students who drive themselves to school, a parent/guardian must release them via a phone call with the School Receptionist, after which the Receptionist will sign the student out. Under no circumstance may a student sign him/herself out.

- Seniors may be an exception to this guideline upon earning their Senior Privileges.
- If a student is to leave school with a person other than the usual parent, the school must have permission for him/her to do so from the parent, guardian, or person responsible for the care of the child.

**Signing Students In/Out**

When a student must leave school early or arrive late, the attending parent must come into the school office to sign the student in or out of school. If the student drives herself/himself to school, the parent will call or email the school office to notify the school. Students will not be allowed to leave with any non-family member unless permission is given ahead of time.

**Student Vehicles and Parking**

It is a privilege for qualified students to drive a vehicle to school. Christian Heritage will enforce the following policies regarding students who drive:

- Students must register all vehicles that they drive to school with the Christian Heritage Office
- Each student driver should be an example of courteous, careful driving habits
- The campus speed limit is ten miles an hour
- Students must respect campus traffic signs and personnel directing traffic
- Vehicles must not display offensive or inappropriate window or bumper stickers
- Keep parked cars locked
- All passengers are to be seated in the vehicle with seatbelts fastened while the vehicle is in motion
- Students must turn down music before entering school property
- No student drivers may transport other students without written permission from all involved parents and approval to do so from the Christian Heritage administration
- Students are not allowed in the parking lot during school hours without permission

Repeated failure to observe the policies will necessitate cancellation of the student’s privilege to bring a vehicle to school.

**Verification of Enrollment and Attendance Form**

Rhetoric students wanting a TEA Verification of Enrollment and Attendance Form to present to the Department of Public Safety as part of the driver's license application process must be enrolled and in attendance for at least 80 days of the Fall or Spring Semester preceding the date of application. A TEA form may be obtained in the School Office.

**Visitors**

When arriving on campus, all visitors (including parents) must come to the Christian Heritage Office, sign in, and get a visitor badge. The visitor badge helps maintain a safe and secure environment for our staff and students. As a courtesy to our teachers, we also ask that parents and other guests give 24 hours’ notice before a planned visit to a classroom.

Visitors other than alumni and parents must get prior approval from the administration to eat lunch with the students.

**Student Health Policies and Procedures**

**Illness**

For the welfare of your student and the others in the school, ill students must not attend class. Parents should adhere to the following guidelines in determining when a student may return to class:

- No fever greater than 100 degrees within 24 hours (medication-free temperature reading)
- No vomiting or diarrhea within 24 hours
- If antibiotics are prescribed, the student must have a full dose for at least 24 hours before returning to school

**Immunizations**

The State of Texas requires that children be immunized against certain infectious diseases at specific ages. Parents/guardians must file a copy of their student’s current immunization records with the Christian Heritage Office. Parents/guardians must complete an *Exemption Form* for any student requiring special exemptions from immunizations.

**Medication**

Christian Heritage personnel will not administer any medication (prescription or non-prescription) to a student at school unless and until that student’s parents/guardians complete a *Medical Form* and submit it to the Christian Heritage Office. All such forms require clear instructions for administration of the medication and must be signed by the student’s parents/guardians. Parents/guardians must submit all medications to the Christian Heritage Office in their original containers with the student’s name on the label.

Parents/guardians must report any and all allergies their students have to the Christian Heritage Office. Students with life-threatening allergies must have a *Plan of Action* on file with the Christian Heritage Office. Parents/guardians must leave any and all medication(s) associated with these conditions (including Epi-pens, where applicable) with the Christian Heritage Office.
Students must never have any kind of medication on their person unless otherwise agreed upon by the administration and parents.

School Lunch Program
Hot lunches, milk, and juice are offered Monday through Friday at Christian Heritage. Lunches are ordered, one month at a time, on RenWeb accessed through the Christian Heritage website. Detailed ordering information is available in the office. Students who do not purchase hot lunches must bring a sack lunch from home. Parent volunteers serve lunch and help monitor lunchroom cleanup. Hot lunch options are not available until September.

Lunchtime is divided into two periods. Grades 4K-5 begin at 11:40 AM. On Monday-Thursday, grades 6-12 begin at 12:20 PM, but on Friday begin at 12:25 PM. Parents are welcome to eat lunch with their children. Please remember to sign in at the office before entering the cafeteria.

Snack Shack is available during the lunch period. Various food items (fruit, yogurt, cheese sticks, nuts, baked chips, etc.) and drinks (water, flavored water, and sports drinks) are offered at a low cost to supplement student lunches.

Students without a Lunch
Students who failed to order or who forgot to bring a sack lunch will be provided a lunch using the Snack Shack. Students will be allowed to pick out food items and a drink, not to exceed a cost of $4.00. This cost will be billed to the parents through the office. This is intended to be an emergency option; parents are expected to provide lunch each day for their children.

Boy/Girl Relationship Policy
It is our goal at Christian Heritage to maintain an environment where students are able to pursue the Lord, their academic studies, and non-romantic friendships unhindered by the pressures of dating and other expressions of romantic interest. We believe it is in the best interest of our school to state clearly our position on male and female relationships and to provide a policy which promotes that interest.

Our philosophy and policy on male/female relationships look very different from that of our culture. While Christian Heritage encourages non-romantic friendships among its male and female students, we permit no forms of physical or romantic interaction between them while at school or related school functions. While Christian Heritage does not govern decisions made by its families concerning dating, we actively discourage dating relationships while at school so that our environment remains one where the primary focus is on developing Godly character and building unity and community among believers.

Overt Displays of Affection
Christian Heritage strives to maintain an environment in which students are able to pursue their academic studies and enjoy friendships. Christian Heritage also understands that spontaneous displays of support, encouragement, and consolation are part of normal relationships between young people. Therefore, these are permissible between Christian Heritage students. However, with the exception of these, Christian Heritage students should avoid overt displays of affection, including physical and/or romantic interaction, while on the Christian Heritage campus or at Christian Heritage events.

Academic Competitions
Christian Heritage is a member of the Association of Classical and Christian School (ACCS) and the Texas Association of Private and Parochial Schools (TAPPS). Our students participate in music, speech, theater, and drama competitions.
Birthdays and Parties
Birthdays are special, and in order to celebrate them and to honor your student, parents may send cupcakes or snacks for the entire class. Parents must also send napkins, plastic flatware, and cups and plates. For students who have summer birthdays, Christian Heritage classes celebrate their special days on a designated day during the school year. Students may not issue invitations to personal parties at school unless they are inviting their entire class.

In grades 4K-5, the “Room Mom” will schedule parties with the teacher in celebration of Christmas, Valentine’s Day, Easter, and End-of-Year. Parents will furnish special foods and other items and are encouraged to implement party ideas. As we celebrate these occasions together, we strive to avoid those secular symbols (e.g., bunnies, Santa) that may distract us from the school’s goal to honor God by emphasizing the Christian aspects of these holidays.

Computer Access and Use
Only those students authorized by Christian Heritage and who are under the supervision of a Christian Heritage staff member may use a Christian Heritage computer, access any local network, or access outside telecommunication resources such as the Internet. Students are expected to observe network etiquette and are prohibited from pretending to be someone else, transmitting obscene messages or images, revealing personal information (including phone numbers and addresses) about themselves (or anyone else), accessing any and all social networking sites on a Christian Heritage computer, sending personal emails and other messages, and/or using school computers in a disruptive manner.

Christian Heritage, its staff, and students will uphold all copyright laws and federal and state laws regarding electronic data transfer or communication. This includes, but is not limited to, making copies of copyrighted software, invading networks, computer systems, or files to alter data therein (via viruses or changing data), and bringing pirated software into offices or labs. No one may copy software from any Christian Heritage office or lab computer.

Violation of these guidelines is a major offense and will be treated accordingly per the Discipline Section of this handbook. Each student and parent will be held financially responsible for any damage to Christian Heritage computer equipment caused by that student.

Facilities, Property Respect, and School-Issued Textbooks
Students are expected to take responsibility for maintaining a clean, attractive environment and should make every effort to leave the facilities in a better condition than they found them. Students will be held personally responsible for damaging property.

The school issues all basic classroom textbooks to students for use during the school year. These texts remain the property of Christian Heritage, and students should treat them as such. Students are to cover all hardback Christian Heritage textbooks with an appropriate book cover.

Damaged and Lost Books: Students will pay the full replacement cost for any lost or damaged book. Whenever a book is lost, students must pay for it before they receive a replacement book. Christian Heritage will not issue report cards or transcripts until a student’s textbook record is clear. Students may not mark in their books under any circumstance (unless the textbooks are so designed, e.g., consumable workbooks).

Library
Students in all grades are regular visitors to the Christian Heritage library. Students may check out books to read at home or to facilitate the completion of school assignments. Several library-sponsored reading programs are offered throughout the school year. The Librarian also provides a summer reading program for volunteer readers in the Grammar School. Reward parties for Grammar School students who meet annual reading goals are a spring event. The goal in our library is to foster a love for reading, to acquire knowledge of reference
skills, and to grow in personal responsibility. Students who do not return their books on time will be charged a fine. Books that are lost will need to be replaced at current market prices. All library fines must be paid before the end of the school year.

Lost and Found
Christian Heritage provides a Lost and Found bin for items found in the common areas. All items, including clothing, should be clearly marked with the student’s name to help the school return items to the student. Christian Heritage is not responsible for items left on campus or at any off-campus Christian Heritage event by your student. The school will periodically hold a sale to sell unclaimed items.

Off-Campus School Events (Field Trips)
Christian Heritage considers off-campus school events an important component in the total development of each student. Off-campus events, from field trips to multi-day events, provide students with opportunities to grow in knowledge and develop skills. The events must be consistent with the goals and vision of CHS and are therefore primarily academic and/or spiritual in nature. Some activities will encompass serving together in helpful deeds and ministry. Christian Heritage will provide event information in written form to parents and students in a timely manner. Each field trip will have a Christian Heritage designated administrator.

A student’s parent or legal guardian must complete a permission form before the student may participate in any off-campus school event.

Volunteers are often needed to help chaperone and/or provide transportation for off-campus events. Volunteer drivers must provide a copy of their driver’s license and current insurance card and complete and submit a Volunteer Driver Form, available in the Christian Heritage Office. For overnight events, an adult chaperone must stay in each room. Christian Heritage will specify a dress code for each off-campus event.

Off-campus events are an extension of the classroom; therefore, siblings may not attend these events, and normal Christian Heritage attendance policies will be in effect. Off-campus events may require students to pay for event expenses. Christian Heritage may assist each student in raising funds necessary for these valuable programs.

A student who is not able to attend an off-campus event may be asked to complete a related assignment. The assignment will be specific to the event missed, and it will provide, to the highest degree possible, the same knowledge and skill outcomes of the off-campus event. Possible assignments include research and writing reports, service projects, and/or spiritual growth activities. The student may be asked to attend school for the duration of the event.

Parent Participation Plan
Throughout the school year, our staff and families host several school events. The Parent Participation Plan allows you to describe your area(s) of interest and expertise so that the Christian Heritage leadership team can involve you as a working team member in events each school year. Christian Heritage gathers this information during re-enrollment. If you have an area of special interest or ability, please let the Administration know so that you may work in that area. Parents are a vital part of Christian Heritage.

The Village
Newly created this school year to support our current PPP, the Village is a group of parents committed to linking families and providing for the needs of our school. Their goal is to foster deeper community among Christian Heritage families by hosting events throughout the year. In addition to hosting events, they will link grammar school families who wish to participate with willing upper school families so that these families can provide information about the school traditions and be a support to one another. Another exciting goal this year is that The Village hopes to implement PErC classes (Parent Extra-Curricular Classes) for Rhetoric students and offer classes such as Cooking, Adulting (budgeting), Yoga, Auto-mechanics, etc. during study
hall hours to provide our students with more learning opportunities. All parents are welcomed and encouraged to join The Village by supporting them through prayer and/or coming alongside them to achieve their goals. For more information on how to be a part of the village, email them at thevillage@chcslongview.com.

**Senior Privileges**

Because of their tenure at Christian Heritage and their position within the student body, seniors are expected to provide significant exemplary leadership to their fellow students in all grades. Consequently, Christian Heritage expects its seniors to set the example for adherence to the school’s guidelines, dedication to academics, participation in school events, etc. At the same time, Christian Heritage recognizes that these students stand on the brink of adulthood. Therefore, Christian Heritage Seniors are granted privileges that no other student has. Traditionally, these have been things such as buying drinks from the vending machine in the teacher’s lounge, wearing free dress after finishing the Thesis Project, listening to music on devices using earbuds during study halls, and leaving school early when the schedule permits it.

Senior Leadership Traditions include, among other things, planning and organizing the Rhetoric Back-to-School Retreat, planning and leading the Logic School Retreat, choosing the quote for the Friday t-shirt for their senior year, leading Small Groups, and pulling off a yearly Senior Prank.

**Social Networking**

Students must understand and agree that Christian Heritage shall have the right to monitor or examine any postings on the Internet or other electronic medium which includes but is not limited to text messages and postings on personal web sites, social networking sites, for example, Instagram, or other private or public domains. Such monitoring includes but is not limited to all verbiage, pictures, depictions, graphics, and videos. Students understand and agree that they are responsible for and may be subject to disciplinary action for inappropriate material they send, post, make available, show others, or possess.

**Yearbook**

Christian Heritage Classical School publishes an annual yearbook showcasing the students and special activities that made the year unique. The yearbook is made available for purchase throughout the school year for all students. Yearbooks are delivered at the beginning of the following school year.

**ATTENDANCE POLICIES AND PROCEDURES**

At Christian Heritage, a student is exposed to various types of instruction. Because each class period should contribute significantly to the curriculum objectives of Christian Heritage, and because the instructional program is progressive and sequential, consistent attendance is encouraged and expected in all classes. Class periods devoted to lectures, discussion, and in-class activities cannot be made up if they are missed. Simply doing the written exercises in no way replaces the classroom experience. Much of what a student learns at school comes from the classroom experiences that are never recorded as a grade. Therefore, even justifiable absences often result in lower grades because class time is missed. However, in recognizing the authority of parents over their children, we understand that parents may decide that it is in the best interests of their child not to attend school on a particular day.

**Required Attendance**

Christian Heritage chooses to use Texas state law as a guide for attendance requirements. This law states that a student must not miss more than 10% of the school days in a school year in order to be promoted to the next grade level or receive course credit. Therefore, Christian Heritage has established policies and procedures based on this law.
Absences Defined
In grades 4K-5, a student is considered absent from school if he misses the entire school day or if he or she arrives too late to be considered present for the entire day.

In grades 6-12, student absences are recorded on a class-by-class basis. If a student misses more than ten (10) minutes of a class (whether at the beginning or end of the class), the student is considered absent for that class.

Number of Allowable Absences
In order to prevent a student from ever reaching this 10% number, if a student accumulates five (5) absences in a quarter, eight (8) absences in a semester, or twelve (12) absences in a year whether the absences are excused or unexcused, administration will schedule a meeting with the parent to determine what course of action needs to be taken to ensure the student receives credit for the course(s). Factors taken into consideration will be the nature of the absences, the diligence of the student to turn in make-up work from absences, the degree to which course objectives are being met, etc.

Types of Absences
There are two basic types of absences that occur during the year—unexpected and prearranged. Unexpected absences are absences due to illness, death in the family, or other expected emergency situations. Prearranged absences are ones in which parents know ahead of time that the student will be missing school and, therefore, have the opportunity to make arrangements with the school ahead of time to prepare for the absence.

Procedures for Unexpected Absences
When an absence is unexpected, the parent is expected to email or call the school office the morning of the absence as early as possible. Until the parent has contacted the school, a designation of AU (absent unexcused) will be recorded in RenWeb, and an automatically generated email will be sent to the parent to alert the parent of the absence. The absence will remain unexcused until the office hears from the parent either by a call or email. It is especially important that parents of our student drivers let us know as soon as possible of a student’s absence so that we know the driver is safe and where he or she needs to be.

Once a parent emails or calls the office, the school will determine whether the absence is excused or unexcused. If it is determined that the absence was actually not unexpected, but the parent did not follow the outlined procedures for a prearranged absence, the absence will be unexcused.

If a parent would like the teacher(s) to collect assignments during the day so the parent can pick them up after the school day, the parent will let the office know when he/she calls the office. Because teachers need time to collect these assignments, the office must be contacted by 10:00 AM. If the assignments are able to be collected, they will not be available for pick up in the office until after 2:00 PM.

With a prolonged illness (more than 3 consecutive days) a doctor’s note must be supplied when the student arrives back to school in order for the absence to be considered excused.

Procedures for Prearranged Absences
Medical or Dental Appointments
Because absences in the upper school are recorded by class period, it is recommended that parents vary the time in which they schedule these appointments. It is best if these appointments are scheduled after school or during study hall periods. A note from the doctor, dentist, therapist, etc. must be presented to the receptionist upon return from an appointment in order to receive an excused absence. Although the absence is excused, students are expected to turn in assignments that are due on the day of the absence since they were at school and able to do so. Any assignment not turned in on the day due will be subject to a late penalty (see the Academic Policies and Procedures section). Appointments should not be scheduled on test and quiz days.
Family Absences
Christian Heritage has always valued the quality time students share with parents and family. Sometimes these occur during the school year, and an absence is unavoidable. Generally speaking, the administration will approve all family absences. If, however, a student is struggling academically or has excessive absences, the request may not be approved.

Parents must follow the following procedures to be granted an excused family absence:

1. The parent must request a family absence from administration via email **at least two weeks** (if at all possible) before the intended absence. This advanced notice allows the administration time to check the student’s attendance records and academic performance in order to make a decision about granting the excused absence.

2. The administrator will make a decision within two days and respond to the parent with a decision.

3. If the absence is approved as an excused absence, the administration will email the student’s teacher(s), so he or she is aware of the impending absence. However, if a parent desires for work to be collected ahead of time, the parent/student will need to make that request of each teacher. Teachers are not expected to gather work ahead of time.

4. Unless otherwise arranged, all assignments and course work will be collected by the teacher during the student’s absence and will be given to the student upon his/her return. The teacher will work with the student to formulate a plan for completion of work. If the student fails to miss the due dates set by the teacher, the work will receive a late work penalty.

5. A Family Absence may not be used for the purpose of excusing a student from a field trip or retreat (see **Field Trips** for further information).

6. In the case that parents do not follow the outlined procedures or the administration does not grant permission for the absence, and the student is absent, it will be considered an unexcused absence.

College Visits for Juniors and Seniors
Students in grades 11 and 12 are allowed three days per year to visit prospective colleges to gain first-hand information about college life. Students should give the administration of at least one-week prior notice and provide documentation to the administration upon return. If these procedures are followed, these days will not be counted in the 8 total allowable absences. Students should keep key schoolwork, extra-curricular activities, projects, etc. in mind when scheduling college visits so as not to miss these key dates. Students are encouraged to schedule college visits during breaks and holidays as much as possible.

School-Related Absences
Absences due to a school function in which a student’s participation is expected is considered a school-related absence. These are events such as field trips, athletic competitions, choir competitions, etc. For the purpose of counting total allowable absences in a semester, these absences will not be counted in that total. However, for the purpose of grading penalties and assignment due dates, the absence is considered an excused absence.

**Tardiness**
Being prompt and prepared is a sign of responsibility and respect. When a student is even just a few minutes late, it causes a disruption to instruction. Tardies should be avoided if at all possible.

Tardies to School
When a student is not in the school building when the 8:00 AM bell rings, the student is considered tardy to school. The parent must escort the student (through 4th-grade) inside the building and report to the school receptionist. The school receptionist will determine if the tardy is unexcused or excused and will keep a record of the number of tardies to school the student is accumulating. A $10 fee will be assessed and billed
to the family through FACTS for every tardy to school beyond the 5th tardy. Renweb will be unavailable to the family until the fee is paid.

Additionally, every five (5) tardies will equal one absence.

Tardies to Class for Grades 6 through 12
When a student is not ready to begin class when the class bell rings, the student is tardy to class. Demerits will be issued for all unexcused tardies to class.

An accumulation of five (5) tardies will equal one absence. Consequences for demerits earned by unexcused tardies will also be enforced. (See the Student Discipline Policies and Procedures section.)

Eligibility to Participate in School Activities Related to Attendance
Students must be in school for at least one-half day (Grammar School) or four (4) academic class periods (Logic and Rhetoric Schools) to participate in extra-curricular school activities scheduled to occur that same day.

Students serving a suspension from school may not participate in school activities during the term of their suspension. If the suspension term includes the day before a weekend or holiday, the student may not participate in any school activity until he/she returns to class.

Truancy
Truancy is an absence from school for any reason without the knowledge and consent of parents/guardians and/or Christian Heritage officials. Truancy is a violation of state law and, therefore, will be handled in accordance with the discipline policy as outlined in this handbook.

Missed Classwork and Assessments due to Absences and Tardies
Missed classwork and assessments are to be made up in a timely manner. In all situations, this is a blessing to the teacher and a benefit to the student.

Excused Absences and Tardies
With excused absences and tardies, the student will be allowed to make up work from the absence or tardy with no grade-related penalty, provided that the student turns in the assignment(s) at the agreed-upon time(s). Generally speaking, students have one day for each day of absence to make up missed work. However, assignments that were due on the day of absence are due immediately upon return unless other arrangements have been made with the teacher. It is the responsibility of the parents/students to obtain missed work from the teacher and turn it in within the required time or else the work will be subject to late work penalties.

Unexcused Absences and Tardies
Any unauthorized non-attendance will be considered an unexcused absence. Unexcused absences are taken very seriously. All daily work missed due to an unexcused absence, or tardy, will normally receive a grade of zero.

ACADEMIC POLICIES AND PROCEDURES

Academic Achievement and Homework
Christian Heritage provides a rigorous educational program. Daily homework is a vital part of this process, and it aids the student's advancement in his/her studies. The amount of homework teachers assign varies in accordance with the needs of different individuals and different subjects. Students should complete assignments thoroughly, with excellence, and submit them on time. Teachers post homework assignments on RenWeb by Sunday evening each week to assist families with the homework load and process.
In the Grammar School, failure to complete homework assignments affects a student’s course grade, and it may result in disciplinary action. This disciplinary action may involve missing a non-academic subject (Art, Music, PE, or Library) in order to complete the assignment.

In the Logic and Rhetoric Schools, if a student does not have his/her homework assignment ready to turn in at the beginning of class, an M is entered in RenWeb for the assignment. When this happens, parents are sent an automatically-generated email alerting the parent of the missing assignment. The student may turn the assignment in at the beginning of class the next class day for a 25% deduction from the total possible points. If the assignment is not turned in by the beginning of class on the second day, a grade of zero will be recorded, but the student may be required to attend a Homework Lab at the teacher’s discretion during lunch to complete the assignment anyway.

If the late assignment is a major grade assignment, 10% of total points will be deducted from the total possible points for each day it is late, for up to three (3) days. After three days, the assignment will be entered as a zero. Because consistently turning in late work or not turning in work at all is indicative of a character issue, repeated late work may result in Lunch Detention, a Saturday School, or a meeting with the student and his/her parent(s) to resolve the issue.

**Academic Eligibility for Athletics and Extracurricular Activities**

Students must maintain passing grades on their report cards to be eligible to participate in athletics. The policy and guidelines for these requirements are outlined in the Christian Heritage Athletic Handbook in the appendix.

**Grade Reporting**

Christian Heritage issues report cards every nine (9) weeks during the school year. Report cards are posted on RenWeb at the end of each quarter. However, because our teachers record grades weekly on RenWeb, parents are expected to use RenWeb to keep up with the student’s grades throughout the quarter. Note: financial accounts must be current to have access to RenWeb. If a parent is concerned about his/her student’s grades, the parent should contact the teacher to schedule a conference.

Grade Reporting for 4K, Kindergarten, and 1st Grade Students

Teachers will report the following letter grades on report cards to communicate the level of student mastery:

E = Exemplary, S = Satisfactory, N = Needs Improvement or Time, U = Unsatisfactory

These letter designations are defined as follows:

**Exemplary (E):** Students who have demonstrated exemplary work and participation during the grading period should receive an E. An exemplary student is one who demonstrates mastery of skills and has exceeded expectations.

**Satisfactory (S):** Students with minimum to average ability or participation should receive an S. A student who demonstrates satisfactory skills has met grade-level requirements and teacher expectations. A teacher may give an S+ or an S- to provide a more precise evaluation of the student’s level of mastery.

**Needs Improvement (N):** Students who need improvement will receive an N and will be provided with a written plan to bring performance to a satisfactory level.

**Unsatisfactory (U):** Students who refuse to try or to participate will receive a U.

Grade Reporting for 2nd through 5th Grade Students

In grades 2 through 5, report cards will report the numerical percentage for each academic subject.

A=90-100  B=80-89  C=70-79  F=anything below 70
Special area grades (Art, Music, PE, and Strings) and character grades will be indicated with the letter grades as described above (E, S, N, or U). For special area grades, 75% of the grade is based on participation, and 25% is based on the quality of work, artistic talent/development, and comprehension.

Grade Reporting for Logic and Rhetoric Students
In grades 6 through 12, report cards will report the numerical percentage for each course.

A=90-100  B=80-89  C=70-79  F=anything below 70

Character Development Grades
All students are graded each quarter in two character development areas with a grade of E for Excellent, S for Satisfactory, N for Needs Improvement, or U for Unsatisfactory.

These are:
- Self-Government: the ability to govern one’s own behavior with little or no requirement for the imposition of external direction
- Respect for Authority: the ability to give proper honor and obedience to adults and those in authority

In-school Tutoring
Occasionally, students will need to consult with a teacher to receive additional tutoring, help on a particular aspect of the subject matter, or makeup missed work, etc. Should a student need to leave an elective or athletic period to obtain tutoring from another teacher, the student must have written permission to do so from each faculty member involved.

Study Halls
In grades 6-12, students may be scheduled a Study Hall. If a student is scheduled a study hall during the school day, he or she should treat his or her time in study hall with the same level of respect and decorum that they would any other class or subject. Out of respect for the teacher and other students in study hall, students must come prepared to work and study and do so quietly. If a student comes to the study hall, and he/she has no homework to do (a rare occurrence), the student should bring literature to read silently.

Standardized Achievement Testing
Christian Heritage administers standardized tests each spring to all students in 3rd-11th grades. Parents are notified of test results the following fall. Qualifying 4th and 7th-grade students are recognized by the Duke University Talent Identification Program.

Christian Heritage offers the PSAT to 10th and 11th grade students every fall.

Retention and Promotion
A strong foundation in reading and math skills is crucial to later academic success. For most students, the acquisition of these skills is an exciting and enjoyable process. For a few, however, the process can be difficult. The cause for this lack of academic success can be related to a variety of factors, including inappropriate grade-level placement, lack of maturity/development, and below level achievement. During the course of the year, the faculty and staff constantly seek to identify students who may be having academic difficulty. Based on academic performance, standardized test results, and other diagnostic tools, there may be occasions when retention is in the best interest of a student. The Christian Heritage administration would make such an important decision only in close consultation with a student’s family and teacher(s).

Promotion in the Grammar School
In order to be promoted in grades 4K-5, a student must pass Reading, English/Language Arts, and Math with an average that demonstrates a solid mastery of each subject. In addition, the student must pass at least two of the following subjects: Bible, History, and Science. Also, there must be an overall satisfactory character/behavior rating, and the teacher and administrator must recommend a promotion.
If a student achieves at a level that demonstrates minimal mastery of subject matter content in several subjects, the student may be considered for retention. When a student is retained due to inadequate mastery of Reading, English/Language Arts, and Math, the student may receive help from various resources, such as summer school or private tutoring at the family’s expense. The Christian Heritage administration must be notified before the student participates in these resources and provide documentation of successful completion to the Christian Heritage administrative staff. Before being promoted to the next grade, the student must successfully pass a Christian Heritage administered test that demonstrates the appropriate level of subject mastery.

Promotion in the Logic and Rhetoric Schools
In the Logic and Rhetoric Schools, if the final grade average (the average of the first and second semesters) for a course is at least 70, Christian Heritage awards full credit for the course to the student. Christian Heritage awards no credit for courses students fail (a cumulative grade average below 70). Parents may utilize various resources to help a student who is struggling academically, such as private tutoring, online courses, and summer school through the local public schools. Parents must coordinate these with Christian Heritage, the student must complete the course by the start of next school year, and parents will undertake them at the family’s expense. Students attending summer school, other than on the Christian Heritage campus, must notify the Christian Heritage administration before enrolling in the course. Likewise, parents and students must provide documentation of successful completion of the off-campus course to the Christian Heritage administrative staff.

If a student fails two or more courses, or if a student and his parents do not make a plan with the administration to retake failed courses, the student will not advance in standing to the next grade. For example, if a student fails two or more courses when he/she is a freshman, he/she will not be considered, in standing, to be a sophomore. He/she will still be considered a freshman. If a student cannot advance with his/her class and needs to take classes designed for lower grades, Christian Heritage does not guarantee that it can or will offer the classes the student needs at a time that will not conflict with other classes the student needs. The Christian Heritage administration, however, will work with the parents and the student to accommodate the student whenever possible.

Academic Probation
Christian Heritage may invoke academic probation whenever a student fails to demonstrate satisfactory academic progress. Probation is intended to produce a mutual effort on the part of the school and home in order to correct the academic deficiency.

Failing Grade Reassessment for Logic and Rhetoric Students
A goal at Christian Heritage is to assist each student in maintaining his/her full academic potential. The purpose of this policy is to provide the student who has failed a quarter in a particular class with a platform for achievement and opportunity. It targets the student who has the ability to meet class requirements and who has the motivation and desire to succeed in the class. This measure of grace would allow a student a second chance to show evidence of his command of the subject material that was covered during the failed quarter and thereby earn a passing grade for that quarter.

A failing student requesting reassessment will be expected to meet the following requirements:

- The request for reassessment must be presented within the quarter following the grading period for which the failing grade was received.
- The student must show marked improvement in in-class assignments and tests during the following grading period.
- The student must present the request for reassessment, along with a plan for additional effort to improve grades outside of class (e.g., tutoring), to the teacher and appropriate administrator. They will review the request and determine eligibility for the reassessment.
If approved by the reassessment team (teacher, curriculum lead, and administration), the student will have the option to retest on the work for which the failing grade was received and earn a maximum of a 70 average for that quarter grading period. No more than one (1) quarter grade per course may be reassessed.

The student must maintain passing quarter grades in the course throughout the remainder of the school year in order for the earned “70” to be reported on his/her final report card. If another failing quarter grade is earned for that course, the reassessment policy would no longer be in place.

Rhetoric School Graduation Requirements

All Christian Heritage graduates will meet or exceed the Texas State Distinguished Achievement Program. At a minimum, 27.5 credits are required for graduation, which must include:

- English (4 credits)
- Rhetoric (2.5 credits)
- Mathematics* (4 credits)
- Science (4 credits)
- History & Government (4.5 credits)
- Economics (0.5 credit)
- Theology (2.5 credits)
- Foreign Language (3 credits)
- Fine Arts (1 credit)
- Physical Education (1 credit)
- Lifetime Fitness (0.5 credit)

*All students are required to take a math class in their senior year, so students who take Pre-AP Algebra I in 8th grade will graduate with 5 credits in math so at least 28.5 total credits.

Distinguished Graduate Program—Advanced Measures

All graduates who achieve at least one of the following will graduate as a Distinguished Graduate:

- completion of the Honors Thesis
- A score of a three (3) or above on a College Board Advanced Placement (AP) examination
- A score on the PSAT that qualifies a student for recognition as a Commended Scholar or higher by the National Merit Scholarship Corporation

Determination of Valedictorian and Salutatorian

After the fall semester of the senior year, the top four academic students are identified and informed of their current ranking. A final determination of valedictorian and salutatorian will be made at the end of the third quarter. To be eligible for Valedictorian or Salutatorian, a student must have attended the Rhetoric School for a total of at least five (5) semesters.

For purposes of identifying the top four academic students, the transcripts are weighted as follows:

- Pre-AP classes are given a weighting of 5 additional points; AP classes are given a weighting of 10 additional points.
- Any 8th-grade classes given high school credit (Algebra I and/or U.S. History) are included in the calculations.
- Electives and athletics classes are not included in calculations.

National Honor Society

The Christian Heritage Classical School chapter of the National Honor Society strives “to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character” in students of our school. During the spring, any sophomore or
junior student who has a cumulative non-weighted 3.0 GPA on a 4.0 scale from all non-elective Christian Heritage courses is invited to complete a candidate application form in which he or she documents service and leadership experiences. Teachers complete a faculty evaluation form which scores each candidate in the areas of scholarship, leadership, service, and character. Candidate forms and faculty evaluations are reviewed by a five-member faculty council which is appointed by the principal. Upon a majority vote by the faculty council, students are then inducted into the school’s chapter of the National Honor Society at an induction ceremony.

Senior Thesis Project
The senior thesis project is the culmination of the Christian Heritage Classical School education. It offers the student an opportunity to expand critical thinking, research, and rhetorical abilities by preparing, presenting, and defending a substantive argument. Students are expected to prepare a paper as formal evidence of learning and skill acquired at Christian Heritage. As such, the paper should reflect both the classical and Christian instruction the student has received at Christian Heritage.

There are five stages in the completion of the senior thesis: (1) Students will select and do preliminary research on a topic to be proposed to the faculty; (2) Students will work with their thesis advisor to perform further research on the approved topic; (3) Students will write the thesis in a series of drafts that are reviewed by the thesis instructor(s) in preparation for an essay that adequately defends a position on the issues relevant to a chosen topic; (4) Students will carefully prepare a final draft of the essay; (5) Students will present and defend the completed essay to the rhetoric school, faculty, and invited guests at the Senior Thesis Defense.

Successful completion of all five stages in the senior thesis is a requirement for graduation. Students have the choice of preparing a regular thesis or an honors thesis. An honors thesis is longer than the regular thesis, requires more resources, and requires a solution. Completion of the honors thesis is one of the advanced measures which qualifies a student to be named as a Distinguished Graduate. Each student’s thesis grade will be included on his/her final transcript.

Pre-AP/AP (Advanced Placement) Course Enrollment
The following criteria are used to determine student suitability for Pre-AP/AP courses:

- the grade the student achieved in the grade-level course in the same subject of the previous year
- the recommendation from the teacher of the grade-level course in the same subject during the previous year
- passing a qualifying exam Christian Heritage chooses to give for a given Pre-AP/AP course
- recommendation from the Pre-AP/AP Course instructor or Principal.

A student desiring to transfer into a Pre-AP/AP Course once the school year begins may do so only with the recommendation of the current grade level teacher, the recommendation of the Pre-AP/AP instructor, and approval of the administration.

Students who have been placed in a Pre-AP or AP course (per the above guidelines) without having completed the Christian Heritage Pre-AP level prerequisite course or without teacher recommendation for advancement are given PROBATIONARY enrollment in this new course. If a student does not maintain an 85 average or above in the new course during the first quarter, the student’s enrollment in the Pre-AP or AP course will be reviewed and may be discontinued. Enrollment in a Pre-AP or AP course is conditional upon the student thriving in this advanced curricular setting without undue burden being placed on the teacher for outside tutorials and/or remediation.

Towards the end of the academic year, a sheet is given to each student, which provides his or her teacher’s recommendation for either a grade level or Pre-AP/AP placement in each academic subject where there is a Pre-AP/AP option. If the teacher’s recommendation is different from the student and parent’s desire, the above
criteria may be reviewed. Pre-AP/AP enrollment is by school year, and the final placement decision is made by the administration.

A semester grade of less than 80 in any Pre-AP/AP course may result in a student being placed on academic probation and if so, will require a parent/teacher conference.

**AP Testing Requirements**

**Situational Requirements for an AP Exam**

If a student opts into an AP-specified course (i.e., choosing AP English over grade-level English), students will be required to take the AP exam for that course at the student’s expense.

If a student is enrolled in an AP-course that has no grade-level alternative (i.e., an AP Calculus course with no grade-level alternative), student and/or family hold the discretion to take the AP exam for that course.

**Options for a Final Exam and Class Time Exemptions as a Result of AP Exams**

- If a student opts out of the AP exam:
  - Students will be required to remain in attendance for the remainder of the course and take the teacher-issued final exam at its assigned time according to the Christian Heritage calendar. The final exam may not be taken early.
- Students who take an AP exam, whether by mandate or choice:
  - Students are exempt from the teacher-issued final exam.
  - The Principal may set conditions for “open campus” options in lieu of remaining class time. This will be handled on a case-by-case basis.

**Final Grade Improvement Option**

For any student taking an AP exam, students may return to class to complete any class material and/or the final exam and have the potential to raise their existing class average. There will be no possibility for a student’s average upon the day of the AP exam to be lowered as a result of returning to class.

**Dual Credit**

Christian Heritage, for an additional fee, will offer dual credit classes as an option for students, allowing students to receive the necessary Rhetoric School credit as well as receiving three (3) college credit hours per semester per class from LeTourneau University. In order for a dual credit class to make, LeTourneau requires that at least six (6) students take the course.

Each student should carefully consider whether dual credit is a fit for his or her particular situation. Additionally, since these courses are college-level courses taught by LeTourneau professors, the student must be prepared for college-level rigor. The grade the student earns will be recorded on his or her report card and transcript. These classes will not receive any additional weight on the Rhetoric School transcript. Students must have a non-weighted 3.0 GPA at Christian Heritage to take advantage of this option. The following classes will be offered:

- 10th Grade Theology: Bible 1033
- 11th Grade History: History 2103 and History 2123
- 12th Grade Government: US Government POLS2503
- 12th Grade Economics: Econ 2103
COMMUNICATION POLICIES AND PROCEDURES

Parent/Administrator Communication
The Christian Heritage administration welcomes comments and concerns. If you have a concern or just want to make a suggestion, please call, email, or schedule a time to meet with the administrator over the appropriate area. If, after meeting or discussing your issue with these individuals, you feel your issue remains unresolved, please consider contacting the Board of Trustees President to arrange an opportunity to discuss the issue and/or bring your concern before the full board at a future monthly meeting.

Stephanie Jones
School Administration
sjones@chcslongview.com

Pam Fisher
Office Manager, RenWeb Assistance, Registrar
pfisher@chcslongview.com

Griff Mauldin
Athletic Director
gmauldin@chcslongview.com

Audrey Carr
Receptionist
office@chcslongview.com

Kristine Poss
Accountant
kposs@chcslongview.com

Bethany Headrick
Librarian, Admissions
bheadrick@chcslongview.com

Family Mail
Grammar school mail is distributed by their homeroom teacher in their classroom. For Logic and Rhetoric students, family mail will be distributed by a designated "homeroom" teacher.

RenWeb
RenWeb is the primary mode of communication with the teacher and parent/student. In one location and via the Internet, teachers can provide parents and students with homework assignments, student grades, teacher contact information, school-wide announcements, and school calendar events. Additionally, RenWeb is the tool used to order student lunches.

Parents may access RenWeb through the school website (www.chcslongview.com) or by downloading the app on any smart device. Financial accounts must be current in order for RenWeb to be accessible. For help using RenWeb, please contact the school office.

Teachers will update the homework assignments for the upcoming week by Sunday at 4:00 PM. Additionally, RenWeb will be used to automatically email parents whenever unexcused absences or tardies are entered into RenWeb, when failing grades are recorded/changed (including missing assignments), and when demerits are issued.

Personal Parent/Teacher Communication
Once every semester, a Grammar School parent/teacher conference time will be scheduled to discuss each student’s progress. Parents should openly discuss any concerns they may have regarding their student with their student’s teacher(s). Teachers will likewise review commendations and concerns they may have for each student with his/her parents. However, at any time, any parent may contact a teacher to schedule a time to discuss concerns. If issues, conflicts, or concerns have not been resolved with the teacher, then parents may contact the school administration.

GroupMe Text
Since most communication through classroom Group Me texting has to do with school and classroom events, please include the appropriate teacher/administrator so that necessary clarification can be given. However, out of consideration for the group members, please do not use this app in lieu of appropriate direct one-on-one communication with the teacher.

Student Use of School Phone
Students may use the office phone when they have permission from school personnel.
**Student Use of Electronic Devices**

Students in grades 4K-5 should not bring electronic devices to school. If a device is brought to school, the device will be collected by the teacher, and the parent will be contacted.

Students in grades 6-12 may bring their devices to school. However, students may not display or use electronic devices, i.e., make/receive calls, texts, access the Internet, play games, etc., during school hours without teacher supervision. Because these devices are distractions to the students, **devices are to be silenced and kept in the student's backpack** from the time the student arrives at school until after carpool. **Watches with Internet access and texting capabilities should also be kept in the student's backpack.**

Christian Heritage faculty and staff members have the right to ask a student to turn in his or her device at any time. The Christian Heritage administration reserves the right to search a device with probable cause.

Violation of this policy will result in an escalating series of consequences:

- **1st offense:** a demerit will be issued, and the phone will remain with the teacher who issued the demerit until the end of the school day
- **2nd offense:** a demerit will be issued, the device will be given to the office receptionist and will remain there until the parent collects the device and pays a $20 redemption fee
- **3rd offense:** a demerit will be issued, the device will be given to the office receptionist and will remain there until the parent collects the device and pays a $50 redemption fee
- **Additional offenses:** to be determined by the administration

**Change of Family Contact Information**

RenWeb allows parents to update personal contact information via their personal parent page. If you do not have Internet access, please report any change in mailing address, telephone number, and/or any other personal information to the School Receptionist by calling (903) 663-4151 as soon as the change occurs. It is vital that the school maintain current contact information at all times.

**STUDENT DISCIPLINE POLICIES AND PROCEDURES**

**Discipline Philosophy**

Students and adults require biblical discipline to assist in developing the behaviors necessary to live a life wholly committed to Jesus Christ. The school’s role of administering discipline is viewed as in loco parentis (in place of the parent). As such, it is imperative that the school’s intent and method of discipline are clear so that parents may join with us and support the mutual efforts to disciple students.

It is vital to remember that discipline and disciple share the same Latin root. Therefore, discipline refers to much more than correction for wrong behavior. It is a comprehensive look at the student in an effort to direct him/her to act in a respectful and Godly manner. Our desire is that students learn to behave well for intrinsically motivated reasons over the desire to gain positive reward or avoid negative extrinsic motivators.

We believe that discipline is necessary for the benefit of each student, as well as for that of the entire Christian Heritage community. We believe discipline should be applied in a manner that keeps the behavioral standards of the school high while being administered in a manner that keeps the student’s dignity intact.

The Bible emphasizes the importance of personal discipline and appropriate conduct (Proverbs 12:1, Ephesians 4:17-32, Philippians 1:27, 2:1-4). A goal of discipline is to help students move toward maturity as individuals and as believers. It is a process of personal growth. Christian Heritage also acknowledges that God has given parents the primary role in teaching and disciplining their children (Deuteronomy 6:4-9, Proverbs 22:6, Ephesians 6:4). Teachers and administrators provide a supporting role in the process of teaching and
disciplining students. Logistically, this discipline policy enables Christian Heritage to provide a school climate that is safe and conducive to learning.

The faculty and administration will seek first to live lives submitted to the Lordship of Jesus Christ and to the authorities under which God has placed them. Each will allow God to develop within him/her a heart for constructive relationships with the students. Out of these relationships, students will prayerfully learn to respond willingly to correction and to practice self-control.

Acknowledging the authority of the parent’s role in children’s lives, Christian Heritage will always seek to involve the parent in the discipline process. Teachers and administrators rely heavily upon parental responsibility in managing their children’s behavior. Teachers pray with and for students to encourage them to be strong in character and self-government.

In a normal school day, the classroom teacher will deal with most of the student discipline issues. There are times when it will be necessary for a teacher to refer a student to an administrator in the discipline process. Parents will be informed and are expected to be involved at this point. It is the goal of Christian Heritage to treat each student fairly and with dignity. Consequences will vary because students are individuals of differing ages, genders, and personalities who respond in differing ways to discipline. The purpose of all discipline is to shepherd a child’s heart.

**Expectations for Student Behavior**

As a classical Christ-centered school, we should honor Jesus Christ in all that we do. Each student has a responsibility to contribute to the overall atmosphere of the school through his/her behavior. The expectations for daily behavior and at school activities are as follows:

- **Do all work to the glory of God.**
  
  “Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.” Colossians 3:23-24

- **Follow all instructions immediately, properly, and quietly.**
  
  “Obey your leaders and submit to their authority. They keep watch over you as men who must give an account. Obey them so that their work will be a joy, not a burden, for that would be of no advantage to you.” Hebrews 13:17

- **Respect all Authority.**
  
  “Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God.” Romans 13:1

- **Respect one another as precious in God’s eyes.**
  
  “For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish, but have eternal life.” John 3:16

- **Keep our school and classroom neat.**
  
  “Diligent hands will rule, but laziness ends in slave labor.” Proverbs 12:24

**Overall Approach to Discipline**

Our approach to discipline will take into account the following scriptural truths:

- Discipline is motivated by love for the students (Hebrews 12:6 and Proverbs 3:12).
- The purpose of discipline is to help our students in their personal growth and improvement and to promote self-discipline and self-control (Hebrews 12:11).
- The method of our discipline will be to correct and encourage with great patience and careful instruction (II Timothy 4:2).
Discipline and Correction in the Grammar School
In grades 4K through 5, discipline and correction will primarily be handled within each classroom. Each teacher will establish the expectations for her classroom and provide those guidelines to the parents during Curriculum Night.

Discipline and Correction in the Logic and Rhetoric School
Because consistency of student expectations and discipline is extremely important, all teachers in the Logic and Rhetoric Schools will use a demerit system to address minor infractions which occur from time to time. Each minor infraction will incur one (1) demerit. Each demerit will be entered into RenWeb. Parents are emailed each time a demerit is entered. Demerits are tallied on a quarterly basis. The accumulation of three (3) demerits will result in a Lunch Detention. The second set of three (3) demerits will result in a visit with the administration. The administration will determine whether the student will serve another Lunch Detention or have a more severe consequence such as a Saturday Morning Detention. The administration will handle these on a case-by-case basis. Each student begins the new quarter with a clean slate of zero (0) demerits.

Minor Infractions
Minor infractions incur a demerit from a teacher. Because we believe that our students have the ability to exhibit self-control, teachers are encouraged to give demerits instead of constantly giving verbal reminders to the students. Some examples of minor infractions will include, but are not limited to, the following:

- Electronic device violation (See the Communication Policies and Procedures section.)
- Tardy to class (not in desk with materials ready when the bell rings)
- Disruptive behavior in class
- Running, pushing, or roughhousing in the school building
- Not being on task
- Eating, drinking, or chewing gum in classrooms unless authorized by a teacher (except water)
- Being unprepared (i.e., books, paper, pens, etc.)
- Dress code violations

Major Infractions
Certain behaviors will necessitate the student being sent immediately to the administration. The administration will determine the nature of the discipline to be administered. Parents will be notified in a timely manner. Some examples of major infractions will include, but are not limited to, the following:

- Disrespecting any teacher, staff member, or student
- Refusing to obey a teacher or administrator immediately, completely, and with the proper attitude
- Defacing or damaging school property
- Using profanity or foul language
- Possession of pornography, alcohol, drugs, tobacco, vaping paraphernalia, or weapons
- Intimidation or harassment of a student
- Fighting
- Cheating (see below)
- Not respecting other people’s property (going into a locker other than your own, taking someone’s paper, pencils, etc.)

Cheating
“Better to fail with honor than succeed by fraud.” – Sophocles

Cheating is defined as copying homework, handing in another’s work, collusion, plagiarism, and unauthorized assistance from any person and/or source on homework, assignments, exams, tests, or quizzes. If it is determined that a student has indeed cheated, the student will be subject to the consequences outlined below.
Definitions of Cheating

Plagiarism: Everyone who submits written work to the school must be the author of his/her own work. When a student uses facts, words, or ideas originating with others, he/she must make it clear what is his/hers and what is not his/hers. Failure to make such a distinction is to be guilty of offering, as one's own, what is, in fact, someone else's. To misrepresent one's own work knowingly is to defraud the school and, more seriously, the Lord.

Collusion – Two or more persons were collaborating to produce or construct the wording and/or syntax of entire phrases, sentences, and/or paragraphs that are in turn presented as a single person's work. As such, a collusion is a form of copying another's work. (Word-for-word phrasing, identical syntax, and/or verbatim sentences on two or more students' papers or quizzes are examples of collusion.)

Disciplinary Consequences for Cheating

- The teacher involved or the administration will inform the student’s parent(s) of the incident.
- The student will receive a “0” on the initial submission of the assignment regardless of its nature.
- If the assignment is a project or major paper, the student will resubmit or submit a new original assignment to the teacher for a new grade at a time set by the teacher. The teacher will average that grade with the grade of the original submission (a “0”), and the average of those grades will constitute the final grade on the assignment.
- The administration may take formal disciplinary action in addition to the academic consequences if he/she deems such action appropriate. Repeated incidents of cheating may warrant a recommendation to the Board that the student in question is expelled.

Disciplinary Measures

Lunch Detention

A member of the staff will supervise all lunch detentions. The student will eat lunch while working on a writing assignment assigned by the supervising teacher or by the administration. Students are to remain completely quiet and may do no other schoolwork of any kind during the detention.

Saturday Morning Detention

Christian Heritage will notify parents when their student is to serve a Saturday Detention. A Saturday Morning Detention will be held from 9:00 AM until noon. Parents will be notified of the specific arrangements and proctoring fee to be paid on the day of the detention. During a Saturday Detention, students may work on written schoolwork or read a book. Whether or not a student serving a Saturday Detention may use technology to complete school work will be handled on a case-by-case basis.

In-School Suspension

In-school Suspensions (ISS) are served as directed by the administration. An ISS involves removing a student from his/her peers (but not from the school environment) for the term of the suspension. Students serving an ISS work on that day’s assignments under the proximate supervision of a Christian Heritage staff member and are responsible for turning in all such work on time. The administration may also design special assignments that relate to the student’s offense for him/her to complete during an ISS. Students scheduled to take tests on days they serve an ISS will do so while serving their ISS.

At-Home Suspension

An at-home suspension involves removal of the student from the Christian Heritage community for a period set by an administrator. The student expected to be under the care of his/her parents or guardians during this time and is to reflect with them on the behaviors that prompted the suspension. Students serving a suspension from school will receive the work they missed and have the same number of days as the term of their suspension to make it up.
Expulsion
Christian Heritage realizes that expelling a student from school is a very serious matter and considers such action carefully on a case-by-case basis. Forgiveness and restitution are fundamental to our total discipline policy. However, should a student and his/her parents choose not to eliminate behavioral problems, fail to display sincere contrition, or if the student is guilty of a serious offense, the student may be subject to expulsion.

Re-Admittance after Expulsion
Should an expelled student desire to return to Christian Heritage, the student may apply for admission in the next school year, and the Admissions Committee will make a decision based on the student’s attitude and circumstances at the time of reapplication.

ADMISSIONS AND REGISTRATION POLICIES AND PROCEDURES
Christian Heritage Classical School offers a classical Christ-centered education to students in 4-K through 12th grade. Fully embracing the concept of integrating faith and learning, Christian Heritage strives to prepare students for life at each stage of their development through its distinctive academic programs and inculcation of a well-informed biblical worldview so that they can contribute to and influence contemporary culture.

Christian Heritage seeks students who desire rigorous academics in a positive Christian atmosphere centered on God's Word and who desire to lead and influence the world around them. Christian Heritage reserves the right to place all students at the grade level for which they are best prepared.

Christian Heritage Classical School reserves the right to select students based on their academic performance, spiritual commitment, and personal qualifications, including their willingness to cooperate with the school administration and to abide by school policies.

Requirements for Admission
- Students entering 4K must be four years old by September 1st, and students entering Kindergarten must be five years old by September 1st.
- Students who have been diagnosed as having a learning disability will be required to meet the same academic standards as all the other students in their grade. Christian Heritage Classical School is not equipped to provide a separate classroom, program, or staff in order to provide the educational services desired by the parents.
- A student with a severe learning disability will not be admitted to Christian Heritage or retained as a student due to the lack of adequate staff, funding, and facilities.
- All entrance interviews will be conducted with the parents or guardians; students who are applying for Logic and Rhetoric Schools will also be interviewed.
- At least a satisfactory score on admissions tests is required.
- Christian Heritage must receive favorable recommendations from the last school attended; students who are currently suspended, expelled, or on academic or disciplinary probation may not be considered for admission to CHS.
- The family and student must regularly attend an evangelical Christian church.
- The family must agree and comply with the Christian Heritage Statement of Faith as listed in the Admissions Packet.
- A desire by the parents and students to comply with the attitudes and actions that are a part of Christian Heritage governance is required.
Non-Discrimination Policy
Christian Heritage Classical School admits students of any race, color, or national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, or national or ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, athletic programs, or other school-administrated programs.

Admissions Process
1. Attend an Admissions Information Meeting (AIM) or a scheduled tour with Director of Admissions
2. Complete an application for admissions online at www.cheslongview.com and submit a non-refundable fee along with the following documentation:
   a. Birth certificate
   b. Shot records
3. Schedule and complete testing
4. Interview with the Christian Heritage Admissions Committee and administration
5. Admission decision by Christian Heritage Admissions Committee and administration
6. Complete enrollment in Christian Heritage upon acceptance and receipt of family contract and by paying appropriate fees

Yearly Re-Enrollment
1. Re-enrollment is not automatic.
2. Students enrolled for the current academic year are given priority for re-enrollment before enrollment is offered to the community.
3. Students and their families who desire to re-enroll must meet the following criteria:
   a. Students must demonstrate a cooperative attitude toward their work, faculty, fellow students, and the policies of Christian Heritage.
   b. Students and their families must maintain personal conduct that is consistent with the biblical spirit and standards that Christian Heritage seeks to maintain.
   c. Tuition, fees, and other charges must be current at the time of re-enrollment.
4. The non-refundable re-enrollment deposit and financial contract must be submitted with re-enrollment information in order to secure a place for the coming year.

Transcripts, Records, and Recommendation
Students needing letters of recommendation for school transfer, college application, and scholarship, or job applications should give the Christian Heritage administration at least three business days’ notice. Students needing transcripts, official or unofficial, School Profiles, or other school records must give seven business days’ notice. Official transcripts for college applications will be sent directly to the college or university requested. Financial accounts must be current to receive any of the above records.

Withdrawal from Christian Heritage
In the event that parents decide to withdraw their student(s) during the school year, they must notify the administration in writing. Each family who leaves Christian Heritage for reasons other than graduation may be asked to participate in an exit interview. In order to withdraw a student from Christian Heritage:
1. All departments must clear the student, and all financial accounts must be paid in full before any records can be released.
2. Any refund of tuition is governed by the terms of the family contract.
Course Selection
Each spring, a meeting will be held with parents and students of current 8th-11th-grade students. During this meeting, course choice options for the upcoming year will be explained, and a course selection sheet will be given to the students and parents to be completed and turned in. This sheet will be used for scheduling purposes during the summer before the next school year.

Schedule Changes
Students may request a schedule change during the first ten (10) class days of the school year. Requests will be made to the School administration for the 2019-2020 school year.

STUDENT DRESS CODE AND ENFORCEMENT

Minor Infractions
Minor infractions include such things as wearing a shirt untucked, missing a belt, or having an overall sloppy appearance. Staff members will address each minor violation with the student. In grades 4K-5, the student's homeroom teacher will usually be the one to talk to the student. In grades 6-12, a teacher or administrator will issue a demerit for the infraction.

Major Infractions
Any student who is clearly outside the approved dress code guidelines and whose dress distracts from the learning environment will be sent immediately to the school office. The administration will take immediate action to correct the problem, which may include requiring the student to correct the dress code violation before he/she may return to class. This could require parental involvement to rectify the situation. To avoid the embarrassment that is often felt by the student in a situation such as these, parents and students should carefully read the guidelines and strive to adhere to the purpose and spirit of the dress code. If in doubt, a student should get approval from an administrator before wearing something he or she thinks may not be in dress code.

STUDENT SAFETY POLICIES AND PROCEDURES

The safety of our students is a priority at Christian Heritage. For this reason, all exterior doors remain locked throughout the school day. A buzzer system is available to alert the receptionist of a visitor's presence. Visitors will be given a visitor's tag from the office receptionist.

Safety Drills
Throughout the school year, the administration will lead the students and faculty through tornado drills, fire drills, bomb drills, and lockdown drills. All of these drills are designed to prepare the students for the safest condition possible in case of an emergency.

School Closings
In the event that the school must close and/or cancel classes due to inclement weather (snow, ice, etc.) or other emergencies, the Christian Heritage administration will notify the Christian Heritage community via some or all of the following means:

- School-wide text message
- Announcement on KLTV (Channel 7)
- Announcement on KVNE (FM 89.5)
- Posting on Christian Heritage website (www.chcslongview.com)
- RenWeb email
- Homeroom parent phone/text tree
While Christian Heritage recognizes the right of parents to pick up their child, Christian Heritage will monitor situations as needs arise and make the best decision in an effort to provide safety and well-being for all students and faculty. It is important that parents rely on official Christian Heritage communication prior to making the decision to pick up their child.

**Student Injury**
In the event of a major injury on school grounds, an adult will remain on the scene while the administration is informed and parents are contacted. The injured person will not be left alone. Only a professional medical person will move a person with unknown or severe injuries, as safely as the students is our highest priority.

**Restricted Items**
Students may not have the following items in their possession at any time while on the Christian Heritage campus or while attending any school-sponsored event (on- or off-campus): guns, knives, or any item that could be used as a weapon, sexually explicit materials, tobacco, alcohol, vaping paraphernalia, and/or illegal drugs. Possession and/or use of such items at school or outside of school may be grounds for immediate expulsion.

**Search and Seizure**
Any Christian Heritage staff member may conduct a reasonable search of a student and/or his/her backpack, locker, automobile, and/or belongings when the staff member has probable cause to believe that the student has an item; the possession of which, may constitute a criminal offense under the Laws of Texas and/or that may violate the prohibitions of this handbook.

**Harassment**
Christian Heritage Classical School is committed to maintaining an academic environment in which all individuals (staff, students, and parents) treat each other with dignity and respect that is free from all forms of intimidation, exploitation, and harassment – including sexual harassment. The school is prepared to take all necessary action to prevent and correct any violations of this policy. Anyone who violates this policy will be subject to discipline, up to and including expulsion (in the case of students and/or parents) or termination (in the case of a staff member). Report any harassment immediately to a teacher, administrator, or the Board of Trustees.

**FINANCIAL POLICIES AND PROCEDURES**

**Fundraising**
As with any private educational institution, the cost of our programs is not covered by tuition and fees alone. Students and parents are encouraged to participate in fundraising activities from time to time. Christian Heritage has several types of fundraising that we invite you to participate in throughout the school year. Please refer to the Christian Heritage website for details.

**Money**
When sending money (other than tuition and fee payments) to the school, parents should always send it in a sealed envelope with the student’s name, the amount, and purpose clearly written on the envelope. Any payments must be given directly to the Christian Heritage Accountant or, in his/her absence, to a Christian Heritage Office staff member. Parents and students should never leave money on a staff member’s desk. Teachers will not collect tuition payment, fee payments, or other monies normally collected by the Christian Heritage Accountant. Christian Heritage is not responsible for any monies lost, stolen, or misplaced.
**Tuition and Fees**

Tuition and fees represent an annual commitment to support the educational programs of Christian Heritage Classical School. Income from tuition underwrites Christian Heritage’s annual operating costs, including employee salaries and benefits, curriculum materials, utilities, and all other expenses required to operate the school. Our goal is outstanding stewardship of these resources as we provide the best possible education to our students. For the convenience of our families, we offer the option of making tuition payments on an annual, semi-annual, or monthly basis. (Parents may obtain current tuition schedules and Enrollment Contracts through the school office.) *Although the monthly and semi-annual payment options are available, the family is obligated for the entire annual tuition.* If a student is withdrawn or dismissed for any reason, please refer to the terms outlined in the family contract for the financial obligation.

Families may fulfill their annual tuition commitment via monthly, semi-annual, or annual payments by indicating their selection on the Enrollment Contract. Annual tuition payments are due by June 5. Semi-annual tuition payments are due by June 5 and December 5. All monthly tuition payments require an ACH automatic draft and are withdrawn on the 5th of the month. A $20 fee is charged for all late payments, and a $20 fee is charged for any returned check. In the event that checks from your account are returned two or more times, you will be required to pay all financial obligations with cash or money orders. In the event that tuition is 30 days late, students will not be admitted to class. A history of bad credit with the school indicates a breach of commitment and is grounds for dismissal. Christian Heritage collects a non-refundable Enrollment Deposit upon enrollment or re-enrollment in the school. Additional fees will be assessed during the year for athletics, field trips, and class events. The athletic fees for students in 6th through 12th grades pertain only to students who wish to join organized school sports, and they are applied toward the cost of uniforms and other expenses.
APPENDIX A: STUDENT DRESS CODE

School Dress and Appearance Policy Overview
At Christian Heritage, we believe that a person’s appearance has a measurable impact on the quality of the overall learning environment of the school. More importantly, we believe that a person’s appearance should honor God and reflect His character and attributes to others. Thus, anyone who comes onto our campus regularly (including faculty, staff, and parent volunteers) must dress in a way that is neat, modest, and appropriate for a school environment.

For students, this translates specifically into a standardized style of dress and appearance. Acknowledging that appearance affects the attitudes of students and the overall educational atmosphere of the campus, Christian Heritage Classical School maintains a dress code policy which promotes a neat, modest, ready-to-learn appearance and helps make students aware of their responsibility to honor God both in the way they present themselves and in their submission to the authorities He has placed over them at home and at school.

We believe the standardized dress code will benefit students and families for the following reasons:

- instills school spirit and belonging while allowing enough choice to allow individual expression.
- saves parents time and money because the allowed clothing can be easily located. In addition, time is saved each morning, and the day starts much more smoothly when the child does not agonize over the “what to wear” issue.
- de-emphasizes the social impact of dress and helps focus the students on character and academic issues.
- ensures that the students’ appearance will be appropriate at all times.

Students must be in dress code when they arrive on campus and remain in such until they leave campus for the day. The primary responsibility for ensuring that a student's attire meets the dress code policy resides with the student and his/her parents. If there is ever any question as to whether an article of clothing meets the stated guidelines, it is best not to wear that article of clothing.

Administration reserves the right to determine if a particular item of clothing meets the intent of the policy.

Please visit the Christian Heritage website Parent’s Tab under Resources for a quick link to Backstage Graphics and Lands’ End websites. Our member number for Lands’ End is 900048828.
Modesty Guidelines

By *modest*, we mean that students while at school dress in such a way that is appropriate for the situation. In this case, the situation is an educational environment with mixed ages and mixed genders. With this in mind, we ask that the following guidelines are followed on regular school days, on fun dress-up days, in PE classes, during House Games, during debates and special presentations, etc.

- Clothing should be clean, neat, and in good repair—no holes, tears, or distress marks.
- Shirts should be of a fit that does not reveal undergarments; tight-fitting tops are not permitted.
- Necklines should not be lower than four fingers below the collarbone.
- No sleeveless shirts or tank tops are permitted.
- Jeans, pants, shorts, and skirts should not be tight and should be of modest fit and rise; leggings & jeggings are not an option for pants.
- Hemlines of shorts, skirts, skorts, jumpers, and dresses should be no more than 3” (a little more than the width of a dollar bill) above the top of the kneecap. It is a good idea for girls to wear compression shorts underneath these items.
- Hair must be of a style and color that is not distracting.
- Male students must wear their hair above the top of the collar, above the eyebrows, and above the bottom of the ear.
- Male students must be clean-shaven.
- Earrings allowed by females only; no other visible piercings allowed.
- Visible tattoos are prohibited.
- Students may not wear any type of head covering during school hours (unless they are participating in a fun dress day).
Regular School-Day Dress Code Options

**TOPS**
- **Monogrammed polos** in navy, gray, or white from only Backstage Graphics or Lands’ End (school code: 900048828); **all students must purchase at least one navy monogrammed polo**
- **Various dress shirts** in white from Lands’ End
- Above tops are to be tucked in at all times
- On Fridays: any **Christian Heritage sponsored t-shirt** (does not need to be tucked in)

**BOTTOMS**
- Boys
  - **pants or shorts** in khaki, navy, or gray; **all boys must have one pair of khaki pants (or shorts in the grammar school)**
    - for examples of styles, see the Lands’ End website
    - material: cotton, cotton-blend, cotton twill
    - no cargo shorts or elastic ankles
    - must have belt loops and belts must be worn (grades 2 through 12 only)
  - **blue jeans—pants or shorts** (Fridays only)
    - blue denim only
    - must have belt loops and belts must be worn (grades 2 through 12 only)
- Girls
  - **pants, shorts, or capris** in khaki, gray, or navy; **all girls must have one pair of khaki pants (or shorts in the grammar school)**
    - for examples of styles, see the Lands’ End website
    - material: cotton, cotton-blend, cotton twill
    - leggings and jeggings are not a pants option
    - must have belt loops and belts must be worn (grades 2 through 12 only)
  - **blue jeans—pants or capris** (Fridays only)
    - blue denim only
    - jeggings are not a pants option
    - must have belt loops and belts must be worn (grades 2 through 12 only)
  - **skorts, skirts, jumpers, or dresses** from Lands’ End only
    - various Christian Heritage selections in khaki, gray, navy, or *white plaid*
    - belts must be worn if the item has belt loops (grades 2 through 12 only)

**SHOES**
- must be closed-toe
- boots must be brown or black
- no light-up shoes or other types of distracting shoes are allowed
- tennis shoes are recommended for PE classes

**OUTERWEAR**
- any sweater, hoody, vest, sweatshirt, jacket, or blazer from Backstage Graphics, Lands’ End, or Christian Heritage

**ACCESSORIES**
- Belts must be solid brown, black, navy, or *white plaid*
- Visible socks must be solid brown, black, navy, gray, or white; with long pants, **any socks are allowed**
- Stockings and tights for girls must be solid navy, gray, or white

Unless otherwise indicated, options may be purchased at any retail establishment.

*White plaid may only be purchased at Land’s End.
APPENDIX B: LOGIC AND RHETORIC EXTRACURRICULAR ACTIVITIES HANDBOOK

Purpose of Extracurricular Activity
Athletics and Fine Arts play an important role in the lives of many students while attending Christian Heritage Classical School. As Christian coaches, sponsors, thespians, musicians, vocalists, and athletes, we desire to place Christ at the center of our attention, both on and off the athletic field or stage. We are to have His attitudes, His beauty, His actions, His grace, and His mindset in every endeavor. Extracurricular activities can be an excellent place to learn and practice these virtues.

Athletic Department Mission Statement
CHRISTIAN HERITAGE Athletics utilize the arena of competitive sports to help students grow physically, intellectually, and spiritually as they face the challenges of competition in a manner that glorifies God.

Athletics Program Overview
The Athletics Programs are a tool to teach that Godly character that will prevail in circumstances that are sometimes challenging or difficult. The court and the field are great classrooms to teach hard work, discipline, and the importance of working together. Athletes must learn to maintain self-control in the heat of competition, humility in victory, and self-respect in defeat. Our desire is to help our athletes deal with each situation in a manner that would bring glory to God, and that would instill in them a confidence that God will strengthen us in any temptation or struggle faced in the future.

We, as a classical Christ-centered school, should be different from the world in our attitudes and actions. We need to encourage our student participants, sponsors, coaches, and parents to pursue the elevation of Christ’s reputation. We must learn to determine our success, not from the final score or rating, but in the process of becoming all God would have us be.

Fine Arts Department Mission Statement
The role of the fine arts program at Christian Heritage Classical School is to encourage students to explore, discover, and develop their God-given abilities with excellence in the musical, theatrical and visual arts in order to glorify their Creator and influence their world for Christ.

Choral Arts Overview
The choral program at Christian Heritage is committed to providing students with a wide range of musical experiences through both individual and group activities. Students are challenged to become confident, well-rounded musicians, possessing an appreciation for many styles and genres of music. All choral students are instructed in proper vocal/choral technique through a wide variety of music—including, but not limited to, unison and part-singing, a cappella and accompanied, classical and contemporary, small and large ensembles, and solo singing. A thorough study of sight-reading skills is achieved through daily, progressive instruction using the Kodaly system. Students are given the opportunity to participate, both within a group and individually, in various choral/vocal competitions through the TMEA (Texas Music Educators Association) and TAPPS (Texas Association of Private and Parochial Schools) programs. In addition, non-competitive performance opportunities are offered throughout the year in the form of school/community concerts and musical theatre productions.

Orchestral Arts Overview
The strings program at Christian Heritage is committed to providing students a variety of musical experiences through individual and group playing opportunities. All students in the strings program are instructed in the basics of musicianship—that is, intonation, note-reading, note-writing—as well as the general discipline of what it means to be a member of an orchestral ensemble. Instructional repertoire includes, but is not limited
to, the following string-methods series: **Strictly Strings**, **Suzuki**, **Essential Elements**, and **Muller-Rusch**. In addition, hymns and other classical, sacred, and contemporary literature are used throughout the year, employing both unison and harmony playing. Students are given the opportunity to participate, both within a group and individually, in various strings/orchestral competitions through the TMEA (**Texas Music Educators Association**) and TAPPS (**Texas Association of Private and Parochial Schools**) programs. In addition, non-competitive performance opportunities are offered throughout the year in the form of school/community concerts.

**Theatrical Arts Overview**
The theatre program at Christian Heritage is committed to providing students a variety of speech and drama experiences through individual and group opportunities. Through the use of drama, the imagination, concentration, and team-working skills of each student are sharpened. The class incorporates pantomime and improvisation to enhance creativity, sensory awareness, and movement. In addition, students learn the importance of voice projection and diction, proper blocking and staging, and character development. Students are given the opportunity to participate, both individually and within a group, in various speech/drama competitions through the TAPPS (**Texas Association of Private and Parochial Schools**) OAP (One-Act Play) District and State Contests, as well as the TAPPS State Academic, Speech, and Visual Arts Meet. Non-competitive performance opportunities are also offered throughout the year in the form of school/community plays and musical theatre productions.

**Visual Arts Overview**
The visual arts program at Christian Heritage recognizes that as children of a Creator Father, we have an innate capacity to create. The art elective, thus, is committed to encouraging observation and discovery of the beauty of God’s creation and assisting students in discovering their own creative potential. Exposure to artists from various periods helps to inspire students in their own work and allows opportunity to evaluate art based on principles of design learned in class. Assignments/projects are manageable by students of all skill levels. By applying the elements of art— that is, line, shape, color, texture, etc.—and the principles of design, students discover not only how to create aesthetically pleasing art work and photography, but also how to “read” the work of other artists. Students are given the opportunity to enter their work in a competitive setting each year through the TAPPS (**Texas Association of Private and Parochial Schools**) State Academic, Speech, and Art Meet, as well as local art/photography contests/festivals. In addition, non-competitive artistic opportunities are provided in the form of school/community plays and musical theatre productions.

**Extracurricular Goals**
It is vital that each Christian student participant, sponsor, coach, and spectator be willing to grow and mature so that God will be pleased. As such, we have listed below some goals of our extracurricular programs. We desire to:

- Teach each student to conform to the image of Christ.
- Teach students to work hard together with Christ-like attitudes and actions, sportsmanship, and cooperation.
- Teach submission to authority on and off the field of play or stage.
- Teach diligence; give all your ability and strength to complete a task.
- Teach intensity; give 100% to the task at hand.
- Teach dependability; to do what is expected in all situations, to be faithful to attend all practices, shows, contests, and games.
- Teach humility; to demonstrate that God is the source of your abilities, talents, and successes.
- Teach endurance; to handle stress, hard work, and problems with God’s strength.
- Teach self-control; not to let a situation control you, but to control yourself in the situation.
- Teach responsibility; to do all that is expected, with or without direct supervision.
- Teach love; to be self-sacrificing and show real concern for the team or ensemble members, coaches or sponsors, and opponents.
Teach a Christian perspective of success; making God-honoring choices, giving your best, and having a purpose beyond self.

Extracurricular Eligibility Policy

Mid-term
At mid-term, the Athletic Director and Fine Arts curriculum lead will be notified if any students are struggling academically at the mid-term of each quarter.

Nine-weeks
A Logic or Rhetoric student who earns an average below a 70 in any class at the end of the nine-week grading period is ineligible to participate in extracurricular activities. Ineligibility begins on the first Tuesday immediately following the last day of the nine weeks. If the ineligible student is passing at the end of the second week of the new grading period, he/she becomes eligible for the remaining weeks in the grading period. If a student is still ineligible at the two-week mark, he/she will be reevaluated every week and may regain but not lose eligibility throughout the grading period.

Athletic Policies and Guidelines

CHRISTIAN HERITAGE Athletics has developed these policies and guidelines as tools to help keep athletics in its proper place among priorities at CHRISTIAN HERITAGE. Athletes, coaches, and parents must remember that participation in athletics is an extra-curricular privilege that students must earn and maintain. Athletes are leaders.

Therefore, Christian Heritage Classical School expects its athletes to be leaders in positive ways – both spiritually and academically. The school expects players to show good conduct, sportsmanship, and a Christ-like attitude on and off the field or court.

1. Athletes must be at all practices and games unless excused by the coach.
2. Excused absences include family emergencies, sickness, and/or school or church events that conflict with games or practices.
3. Athletes must keep equipment and uniforms issued by CHRISTIAN HERITAGE in good condition and return them at the completion of the athletic season.
4. Student-athletes must maintain passing grades in all subjects (at least a 70).
5. Grades Checks will occur at Mid-term under CHRISTIAN HERITAGE Athletic Handbook Guidelines and at the end of the nine-weeks grading period under both CHRISTIAN HERITAGE and TAPPS guidelines.
6. While the athlete is ineligible, the athlete will attend practice with his/her team, but not dress or associate with the team at games.
7. It is the athlete’s responsibility to ask for assignments that he/she may miss due to games and/or travel.
8. Because we have limited school transportation, athletes may be responsible for finding transportation to and from games and practices. Athletes must make these arrangements before game day. The Athletic Department will provide addresses to away games. Athletes may drive themselves to and from activities within a 20-mile radius of the school.
9. Athletes must wear a complete uniform with shirts tucked in. No jewelry allowed, and long hair must be away from the face.
10. Street clothes worn to games must reflect a level of modesty consistent with the CHRISTIAN HERITAGE dress code.
11. All athletes must remit a Rhetoric fee of $125 (except football $175 and tennis $100) or Logic fee of $100 (except football $125) per sport due at the first practice of each sport (golf is a two-season
12. All athletes must complete a physical before entering Logic School play and should have one every year until graduation.

13. Athletes must agree to represent with integrity the name of our Lord, our families, and our school.

14. CHRISTIAN HERITAGE athletes and fans should leave any venue in better shape than it was prior to their arrival.

15. Athletes will set-up and break down the CHRISTIAN HERITAGE gym on game days. Coaches will arrange systems for ensuring this happens.

16. Students must return ALL FORMS in a timely manner, respecting deadlines, or they will not be eligible to play.

17. Any athlete ejected from a game is responsible for paying all fines associated with the ejection. If an athlete is ejected, disciplinary actions may be taken by the Athletic Director. Any athlete receiving two ejections in the same sport may be removed from the team at the discretion of the athletic director.

18. Students who fail to finish the season with their team will not be recognized for team accolades following the completion of said season. (If a student is not passing his/her classes, they must continue to practice with their team until passing or seasons completion)

Playing Time
Each student will have different roles in sports and in life. Our students must learn that God desires for us to live righteously in the role we are given. Our desire is to teach each student to participate from a Christian perspective with honorable attitudes and actions regardless of ability. Coaches make selections for playing time based on talent, attitude, and team need. Every member participates equally in practice. All players will have some playing time during the season, but not in every game. The Athletic Department attempts to schedule scrimmages, B team, and junior varsity games for extra playing time and learning experience. A coach must evaluate all the factors subjectively and make the choices for the best combination to fulfill the responsibility that he or she has to the team, and not to just one individual. We should teach our athletes to fulfill their assigned role without grumbling or complaining. The Athletic Director and the coaches humbly ask for your prayers and support as we strive to develop a physically disciplined, intellectually alert, and spiritually alive athlete. We need your encouragement and cooperation as we work together for the benefit of our children and our school.

Practice or Rehearsal Participation
Practice participation is not optional. Student-athletes and those who have committed to fine arts extracurricular activities are expected to attend all practices and rehearsals as scheduled. However, we understand there are extenuating circumstances. Missed practices and rehearsals can be broken down into two categories: excused and unexcused.

For athletics, excused absences will result in the student having to make up for missed conditioning and possible playing time deduction at the coach’s discretion. Unexcused absences will result in having to make up conditioning, mandatory playing time deduction (length to be determined by the coach), and possible dismissal from the team if the issue continues. Makeup conditioning must be completed before participation in any athletic event.

For fine arts, the consequences for missing rehearsals will vary but could result in the student being unable to participate in the final performance or event.

It is the parents’ and students’ responsibilities to work appointments around practice and rehearsal times.
Examples of excused and unexcused absences are listed below:

**Excused Absences**
- An academic or school event that requires the student’s participation.
- Youth or Church event such as Bible study or prayer meeting
- A personal emergency such as a family member or close friend in the hospital
- An injury requiring physical therapy or special conditions
- A substantial and/or contagious illness (please provide a doctor's note if possible)
- A funeral of a family member or close friend
- An event discussed and permission given by the Athletic Director, coach, or sponsor prior to the absence

**Unexcused Absences:**
- Couldn’t find a ride to practice
- Social activity such as a youth group event to Six Flags or “Movie Night”
- Too much homework
- Anything not discussed with the coach, Athletic Director, or sponsor prior to the absence
- Anything deemed unexcused by the coach, Athletic Director, or sponsor

**Fall/Spring/Summer Leagues for Athletics**
Competition in leagues outside of normal school-sanctioned competition is always encouraged, but teams wearing Sentinel labeled equipment should be limited to Christian Heritage School athletes. In extenuating circumstances, athletes from other schools may help form a team if authorized by the Athletic Director.

**Extracurricular Letterman Jackets**
Students who have successfully completed their second season in a single school-sponsored sport will be eligible to purchase a letterman jacket. If a student transfers into CHRISTIAN HERITAGE, past participation at other schools will apply. Students who participate as managers for a team for two seasons will also be eligible to purchase a jacket. When a student meets the requirements for a letter, he or she will receive an award notification that will allow him/her to purchase the letters for his/her jacket. Each coach will assess his or her season and determine who has achieved letterman status. Upon determining qualifiers, the coach will give this information to the Athletic Director, who will notify each student. Each year the students will have two opportunities to order letters and patches. All orders MUST meet CHRISTIAN HERITAGE specifications without exception. CHRISTIAN HERITAGE has adopted a specific style and color for the jacket. Students should purchase state and district honor patches after approval of the Athletic Department. Athletes may place only pre-approved additions/awards on their jackets. Athletes may not place nicknames on their jackets.

**Lettering Qualifications for Sports**
- Basketball | Participate in a minimum of 16 quarters at the varsity level
- Football | Participate in 1 full season at the varsity level
- Soccer | Participate in a minimum of 8 halves at the varsity level
- Volleyball | Participate in a minimum of 12 games at the varsity level (best 3 of 5 games complete a match)
- Golf | Place in one regular-season tournament and/or place in the district tournament at the varsity level. Participate and shoot under a specified score by coach at all tournaments at the varsity level.
- Tennis | Place in one regular-season tournament and/or place in the district tournament at
the varsity level.

- Track & Cross Country | Place in a team or individual event at one regular-season meet and/or place in district meet at the varsity level.
- Baseball | Participate in 1 full season at the varsity level

Lettering Qualifications for Chorale

Students in the Christian Heritage choral program (grades 9-12) may earn their letter in choir by earning a minimum of 10 points through completion of a combination of the following requirements:

- Freshman/first-year choir students may earn 3 points at the end of the school year for consistent participation in class, attendance/participation at all choir concerts/ performances, and enrollment in choir for the following year.
- Sophomore/second-year choir students may earn 3 points at the end of the school year for consistent participation in class, attendance/participation at all choir concerts/ performances, and enrollment in choir for the following year.
- Junior/third-year choir students may earn 4 points at the end of the school year for consistent participation in class, attendance/participation at all choir concerts/ performances, and enrollment in choir for the following year.
- Placement in the TMEA (Texas Music Educators Association) High School All-Region Mixed Choir will earn 3 points.
- Placement in the TMEA (Texas Music Educators Association) High School Pre-Area Choir will earn 2 points.
- Placement in the TMEA (Texas Music Educators Association) High School All-State Choir will earn 2 points.
- Class 1 or Class 2 solos that are awarded a 1st Division ranking at the TAPPS (Texas Association of Private & Parochial Schools) State Solo & Ensemble Contest will earn 3 points.
- Class 1, Class 2, or Class 3 ensembles that are awarded a 1st Division ranking at the TAPPS (Texas Association of Private & Parochial Schools) State Solo & Ensemble Contest will earn 2 points.

Students will be notified of their current point total in choir each spring prior to the deadline for submitting letter jacket orders. Any student/parent questions regarding points may be directed to the CHCS Fine Arts Department Lead/Head.

Lettering Qualifications for Strings

Students in the Christian Heritage strings program (grades 9-12) may earn their letter in strings by earning a minimum of 10 points through completion of a combination of the following requirements:

- Freshman/first-year strings students may earn 3 points at the end of the school year for consistent participation in class, attendance/participation at all strings concerts/ performances, and enrollment in strings for the following year.
- Sophomore/second-year strings students may earn 3 points at the end of the school year for consistent participation in class, attendance/participation at all strings concerts/ performances, and enrollment in strings for the following year.
- Junior/third-year strings students may earn 4 points at the end of the school year for consistent participation in class, attendance/participation at all strings concerts/ performances, and enrollment in strings for the following year.
- Placement in the TMEA (Texas Music Educators Association) High School All-Region Orchestra will earn 4 points.
- Placement in the TMEA (Texas Music Educators Association) High School All-State Orchestra will earn
3 points.

- Class 1, Class 2, or Class 3 solos that are awarded a 1st Division ranking at the TAPPS (Texas Association of Private & Parochial Schools) State Solo & Ensemble Contest will earn 3 points.

- Class 1, Class 2, or Class 3 ensembles that are awarded a 1st Division ranking at the TAPPS (Texas Association of Private & Parochial Schools) State Solo & Ensemble Contest will earn 2 points.

Students will be notified of their current point total for strings each spring prior to the deadline for submitting letter jacket orders. Any student/parent questions regarding points may be directed to the CHCS Fine Arts Department Lead/Head.

**Lettering Qualifications for Theatre**

Students in the Christian Heritage theatre program (grades 9-12) may earn their letter in theatre by earning a minimum of 10 points through completion of a combination of the following requirements:

- Freshman/first-year theatre students may earn 3 points at the end of the school year for consistent participation in class, attendance/participation at all theatre events/performances, and enrollment in theatre for the following year.

- Sophomore/second-year theatre students may earn 3 points at the end of the school year for consistent participation in class, attendance/participation at all theatre events/performances, and enrollment in theatre for the following year.

- Junior/third-year theatre students may earn 4 points at the end of the school year for consistent participation in class, attendance/participation at all theatre events/performances, and enrollment in theatre for the following year.

- Participation in a TAPPS (Texas Association of Private & Parochial Schools) OAP (One-Act Play) cast/crew that places at the TAPPS District OAP Contest will earn 3 points.

- Participation in a TAPPS OAP cast/crew that places at the TAPPS State OAP Contest will earn 4 points.

- Placement in the TAPPS OAP All-Star Cast/Crew at the district contest will earn 2 points.

- Placement in the TAPPS OAP All-Star Cast/Crew at the state contest will earn 2 points.

- Honorable Mention recognition as a member of a TAPPS OAP All-Star Cast/Crew at the district contest will earn 1 point.

- Honorable Mention recognition as a member of a TAPPS OAP All-Star Cast/Crew at the state contest will earn 1 point.

- Participation in a speech/acting event that receives 1st, 2nd, or 3rd place honors at the TAPPS State Academic, Speech, & Art Contest will earn 3 points.

Students will be notified of their current point total in theatre each spring prior to the deadline for submitting letter jacket orders. Any student/parent questions regarding points may be directed to the CHCS Fine Arts Department Lead/Head.

**Lettering Qualifications for Visual Arts**

Students in the Christian Heritage visual arts program (grades 9-12) may earn their letter in art by earning a minimum of 10 points through completion of a combination of the following requirements:

- Freshman/first-year art students may earn 3 points at the end of the school year for consistent participation in class, attendance at/participation in all art events, and enrollment in art for the following year.

- Sophomore/second-year art students may earn 3 points at the end of the school year for consistent participation in class, attendance at/participation in all art events, and enrollment in art for the following year.
• Junior/third-year art students may earn 4 points at the end of the school year for consistent participation in class, attendance at/participation in all art events, and enrollment in art for the following year.

• Participation in a visual arts event that receives 1st, 2nd, or 3rd place honors at the TAPPS (Texas Association of Private & Parochial Schools) State Academic, Speech, & Art Contest will earn 3 points.

Students will be notified of their current point total in art each spring prior to the deadline for submitting letter jacket orders. Any student/parent questions regarding points may be directed to the CHCS Fine Arts Department Lead/Head.

Guidelines for Handling Grievances
If an issue or concern arises regarding your student, please contact his/her coach or sponsor during school hours and request an appointment to speak with him or her. If the coach or sponsor is a volunteer and works outside the school, please contact him or her after a practice or game to determine an appropriate time to talk. If you cannot reach the coach or sponsor, please contact the Athletic or Fine Arts Director to ask him/her to set up a meeting with the coach or sponsor. If, after meeting with the coach or sponsor, you feel that the issue is not resolved, please meet with the Athletic or Fine Arts Director to address concerns. If there is still no satisfactory resolution of the issue at this point, please schedule a meeting with an administrator to fulfill the final step in the resolution process. We hope to resolve all issues in a manner that is biblical and satisfactory to all parties involved.
FAMILY AGREEMENT

Christian Heritage Classical School holds the premise that parents are their child’s primary teacher and should be involved in their on-going formal education. We consider ourselves partners with you in this endeavor. To that end, the school has established the following agreement:

1. I have read the Family Handbook, and I agree to abide by it.
2. I agree with the Christian Heritage Statement of Faith.

I have read the preceding guidelines and agree to comply with the requirements of Christian Heritage as stated in this handbook.

Signature of Parent/Guardian ___________________________ Date ______________

Signature of Parent/Guardian ___________________________ Date ______________

Please sign and return this agreement to the school office by Friday, August 23.

STUDENT AGREEMENT FOR RHETORIC STUDENTS

Dear 9th through 12th graders,

We, the faculty and staff at Christian Heritage, understand that you have turned the corner from childhood into young adulthood. We are committed to partnering with you to help you reach your educational goals and to mentor you in your faith. We believe that an atmosphere of mutual respect among all of us is essential in a happy and effective educational community. We would like to hear from you that you are also excited to work with us in the coming school year.

Sincerely,

Faculty and Staff of Christian Heritage

If you agree with the following statement, recopy it and sign your name on the lines below.
I agree to actively take part in Christian Heritage and to work to make this school better. I am thankful for this opportunity, and I agree to put myself under my teachers’ and administration’s authority for the coming school year.

________________________________________________________________________
